# X

By Carly Glenn & Hannah Yelinek

Throughout the years of high school, we struggle to reach our own ideal image of perfection. Whether it be pressure from teachers, friends, boyfriends, girlfriends, jobs or parents, we all strive to be flawless. Yet through reflection of the past school year, the student body should know that it's actually our imperfections that make us *The Perfect 10*.

We chose *The Perfect 10* as our theme for the 2009-2010 yearbook because it sums up our school as a whole. By "perfection", we aren't referring to getting straight A's, having outstanding behavior or maintaining outstanding behavior. Our definition shows the student body as being well-rounded and made up of incredible students, teachers and staff. Not one of the individuals at Battlefield is truly untainted, but together with our combined talents and gifts, we've created an absolute mirror image of what *The Perfect 10* represents.

As these 180 days of high school come to a close, we reflect on the hard work, time and effort that we have all put into making this school year *The Perfect 10*. As our seniors prepare to graduate and enter the world, we applaud them for all that they have done here at Battlefield and the success that they will find within their own realms of perfection. Although the perfect Class of 2010 will leave, Battlefield's perfection will always remain within these four walls we've all once called "home."

## *perfect* Bobcat Pride *student life*

At Battlefield High School, our students come in many shapes and sizes. Some are short, some tall and they can be either big or small. These students thrive in their high school setting through their activities and sports. The spirit of the bobcat fills each heart during Homecoming festivities and Spirit Week and although many groups differ from one another, they are still all united by the pride they share in their school and its accomplishments.

Battlefield students have outshone other schools in areas of athleticism, knowledge, talent and creativity this year. Our name has been made known state-wide on more than one occasion and the awards are endless. It is for this reason that the uniqueness and differences of each student can come together and wear our purple proudly.

Each jersey, club shirt or spirit attire represents our schools name and the successes that we have chosen to pursue. However, we must remember that it is the personality and unique make-up of the student body which makes this school what it is. Students of Battlefield High School, this is for you...

# Bobcat Pride

by Hannah Yelinek

It is yet another school year at Battlefield, and that means experiencing one of the school's most beloved traditions—Spirit Week. This is when students and teachers come together to show their spirit and pride in BHS. To start off the week on Monday, Battlefield students crawled out of bed and came to school in their pajamas. Appreciated by both faculty and staff, this day is known and loved as "Get-up-and Go" Day. Tuesday was "Dynamic Duo" Day, where you could see Batman and Robin eating lunch together as well as Peter Pan and Tinkerbell flying around the halls. "Wacky Wednesday" brought out the wild side of the students with their mismatching clothes and even a banana suit. Thursday, to go along with the Homecoming Dance theme, each class dressed up as if they were from a "Whole New World"—freshmen were on a "European Vacation", sophomores were from the "Orient Express", juniors were from the "Wild, Wild West" and seniors were "Pirates of the Caribbean". On Friday, to top off the best week of the year, freshmen, sophomores and juniors wore one of our school colors, while the seniors decked out in white togas and crowns.

## Clash of the Classes

### Who's the best?

"I feel like we're [freshmen] the best because we are finally considered high schoolers!"

Kate Peacock

"The sophomore class is spirited and there aren't any problems between people. We all get along."

Cassy Curry

"The junior class is the best because we're the most spirited, we're all united. Plain and simple – we're awesome. It's done."

Troy Allaire

"The senior class is the best because everyone gets along so well. We're a real team!"

Kalvin Cornwell

After a disappointing postponement due to inclement weather, it was finally time for Battlefield's faculty and students to show their pride and excitement for the fall pep rally.

School spirit was alive and kicking on Friday, Oct. 30th as the stadium echoed with chanting of each year's class and electrifying applause for the fall sports teams and the performance from "Bobcats Off Broadway".

Tradition followed as it was yet another "Battle of the Bikes" for the third annual FBLA faculty tricycle race. In the first heat (consisting of Mr. Dan Evers, Mr. Matthew Brodt, Ms. Lauren Miles, and Mrs. Earlena Bellino), Mr. Evers took the lead and finished strong as he advanced to the finals. Second heat competitors were Mr. Joe Hannett, Mr. Kris White and Mrs. Stephanie Evers. Tensions soared as Mrs. Evers and Mr. Hannett were neck and neck down the track, but that all changed when Mr. Hannett took a spill leading to Mrs. Evers claiming victory.

The final race had two finalists– Mr. Evers versus Mrs. Evers–husband and wife going head-to-head for the trophy. Mr. Evers left his wife in the dust, winning for the second year in a row. He was awarded the beautiful gold and purple trophy to place in his classroom.

The excitement of the day proved to be enough motivation for the varsity football team as they went on to defeat the Stonewall Jackson Raiders 42 - 0!

*by Heather Duffy*

Once upon a time, on October 16th, our class of 2010 King and Queen were crowned during half time of our homecoming game-- Bobby Seagars and Katie Ostrovecky.

Our Homecoming game, this year, was a close one, but our Battlefield Bobcats kicked into overdrive during the fourth quarter and caught our team up to the Osbourn Eagles. By the end of the fourth quarter and a few touchdowns later, our Bobcats took the title making our Homecoming game an exciting one with a score of 20-18. Congratulations to both our Homecoming Queen and King and our Battlefield Bobcat Varsity Football team!

## Sum It UP!

By Heather Duffy

*The homecoming dance was a huge success this year. The theme of "A Whole New World" truly made the evening wonderful. The lights gave a lovely glow to the enclosed cafeteria where refreshments were provided and the music pumped out of the gym.*

*Students showed us their best moves on the dance floor and loved the jams. As much as Battlefield students love to shake what their mamas gave them, the Homecoming court slowed it down for us towards the end of the evening. The night was certainly one for Battlefield's students to remember and cherish.*

## Keeping Tradition Alive

*By Heather Duffy*

"Da Den" of 2010 is full of a group of rambunctious and school-spirited fans. Everywhere a bleacher is available, you will see eight members of "Da Den" painted up in letters spelling, "BOBCATS!" While they attend every football game of the season, they also attend other sporting events—both home and away—such as cheer, volleyball and basketball.

"Da Den" has been in Battlefield Bobcat history since the first year the school was opened. Each year, the group grows with spirited fans. These dedicated fans brave the heat, rain and snow to show their love and support for our teams.

"Da Den" represents Battlefield's spirit through chants and rituals such as storming the stands with the "2010 Da Den" flag every time a score is made. During football season, they then do the same amount of push ups equal to their points every time a touch down is made. Chuck Norris says, "When our Bobcats do pushups to show our school strength, they don't push themselves up—they push the world down!"

To show additional school spirit, "Da Den" has custom hats designed especially for our games—purple or black with "Da Den" stitched in silver and black across the front. These hats are worn proudly as they represent "Da Den" and their Bobcat colors.

"Da Den" was first introduced to Battlefield to show our spirit and dedication, but now it is not just for fun—it is now a Bobcat tradition with many generations of future Bobcats to come!

You always go tons of places with your friends, but what makes them different from your best friends? These are the people you are always with—whether you're walking together through the halls, taking trips to the bathroom, or just eating lunch with them. It's almost like you're "attached at the hip".

Jamie Robinson says, "Blaine Mason is my best friend. We do everything together—we act alike, play football and even dance together."

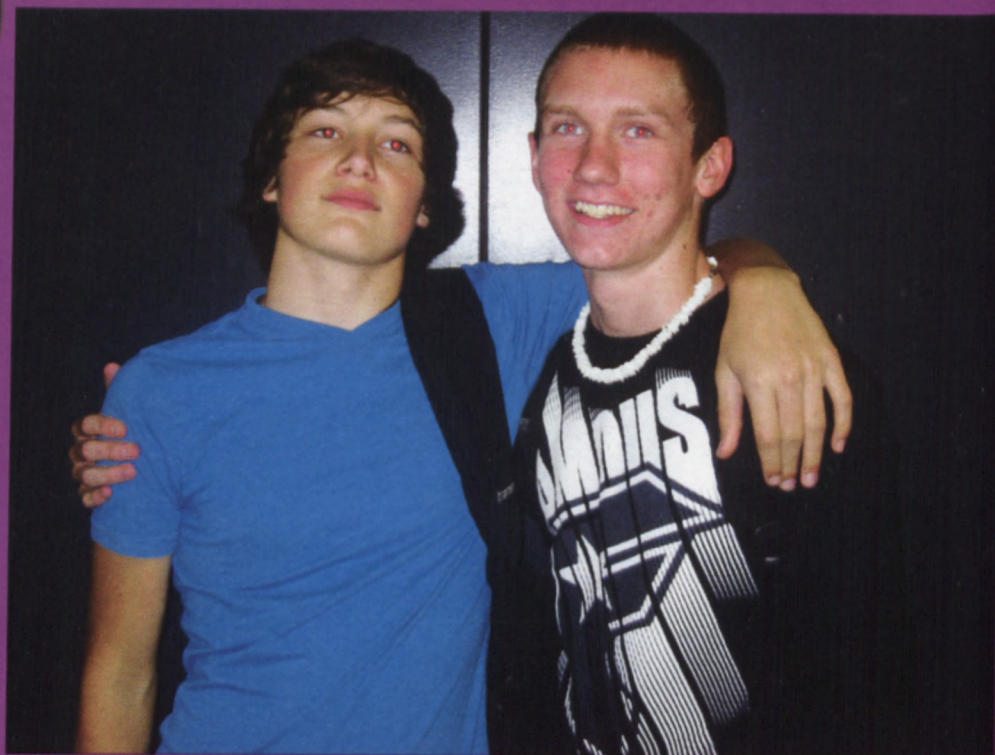

They're the one person who you can trust with anything and everything, the one who will always have your back through thick and thin. Whether you're laughing or crying through the good times and bad, no matter what, you can always count on them. You will get in a fight for five minutes, then a second later you're cracking up at how stupid it was. You'll always have those inside jokes to look back on that make you laugh. Whether it's dancing in your room with them or singing in the car—you're...

# "X"treme Makeover

## The Scoop

By Krystian Jones, Marisa Hasan & Allie Michelli

Have you ever wanted to know what it is like to be someone you're not? We gave this opportunity to ten lucky individuals to be transformed into their total opposites. The Battlefield High School Extreme Makeover team achieved this great task by changing the outward appearances of these people to reflect a different personality than their own. Some even switched a gender! Senior Ashley Pyles, normally an energetic and happy young lady, changed into her alter ego as a "Goth". Junior Johanna Dominick, known for being a perky and peppy teenager, became a feisty old lady. Is that a homeless man you see? No, it's just senior Lindsey Bottos after her Extreme Makeover. We were also able to capture Mr. Rohrbach getting in touch with his feminine side as he dresses like the infamous red-haired "Annie". Finally, who knew that senior Carlos Lucca was a fan of Star Wars? Check out the other transformations that the Extreme Makeover team made possible!

As you walk into Bobcat territory, art surrounds you. It is on the walls, in the bathrooms, and even in the trailers. Art classes are filled with eye-catching paintings and splendid sculptures.

Art, whether it be through drawing, sculpting or painting, is the language of the soul and self-expression beyond words. Senior Chloe Wead says, "Art is what you make of it." Art is not always about drawing perfect circles—it is about having the freedom to express yourself artistically. "Art puts a face on imagination," says senior Jessica Vanegas.

Some students may take art to be in the same class as their friends, while others take it to sharpen their skills and grow their ability to a new peak. A select few may fool around, but many others, like junior Hannah Chang feels its relevance. "Artists brand their souls on paper."

After spending long nights finishing a piece of artwork, an artist feels the tension disappear to be replaced by a new love for their newly birthed masterpiece.

## Not Just a Style...

*By Jennifer Villatoro*

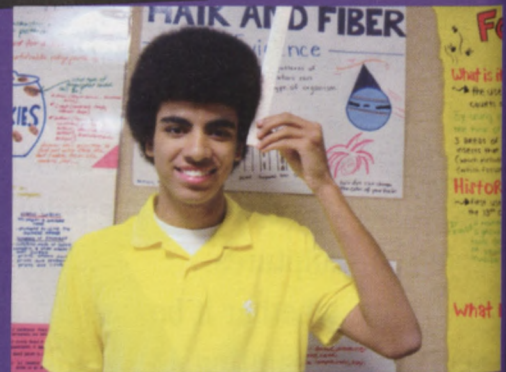

Walking down the halls of Battlefield High School, you may often notice someone with a very unique and different look. Although it is not the "norm", you would be very surprised at how many crazy hair styles you witness. Whether the hair is dyed rainbow colors, over-the-top-cuts, or just plain crazy, the students at Battlefield make up their own hair art gallery.

The weak-hearted would never have the guts to dye their entire head purple or even think about shaving all their hair off on the sides, but these brave Bobcats are bold in their expression and most definitely stand out in a crowd!

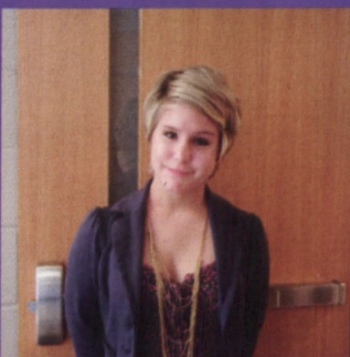

Left: Senior Nick Crowder says, "I decided to let my hair grow out because I like it and I've decided not to cut it until after college. Bottom: Brian Potts, a freshman, wanted his fohawk to stand out, so he dyed it blonde.

Right: John Moore was inspired by the lead singer of Mudvayne. It only takes 15 minutes with hair glue. Below: Mr. Bretsch doesn't plan on keeping his hair long forever, only until Spain wins the World Cup.

# WIPE

Oh No!

Must Be a Wipe-out!

High school is full of amazing memories, however some are not so pleasant to relive. During the year, we caught people's embarrassing moments and awkward situations. We were "a-creepin'" if you were sleepin'! If you slipped, we took a click! Freshmen, and even seniors, were spotted having a "wipe-out"! Anything from disturbing faces, crashing down the stairs, gross tales, and horrifying wardrobe malfunctions—we've seen it all! Even teachers were spotted in completely embarrassing predicaments.

Everyone has a story. Everyone has a terrifying moment. Everyone has something that they've done or had done to them that they're horrified of someone else noticing. We've sought to record some of the most drastic "wipe-outs" of our BHS students' and teachers' school lives. It happens to everyone at Battlefield—it's everywhere you look, and it's unavoidable. It's a wipe-out!

Below: Senior Garret Roselius accidentally walked into the girls' bathroom. It's a good thing that no one saw him!

Battlefield High School, known for the infamous Bobcat, is full of fanatics with miscellaneous passions. The halls we walk every day between classes are home to the obsessed! Everyone knows who we are referring to--those people who go bonkers when Edward Cullen or anything linked to the "Twilight" series is mentioned or those "clean freaks" who are constantly consumed with the fear about germs. Let's not forget the "gamers" who are always raving about the latest and greatest video games. Take a peek into some of the very random obsessions at Battlefield and be amazed. It may make you feel better about your own obsession!

## What's Yours?

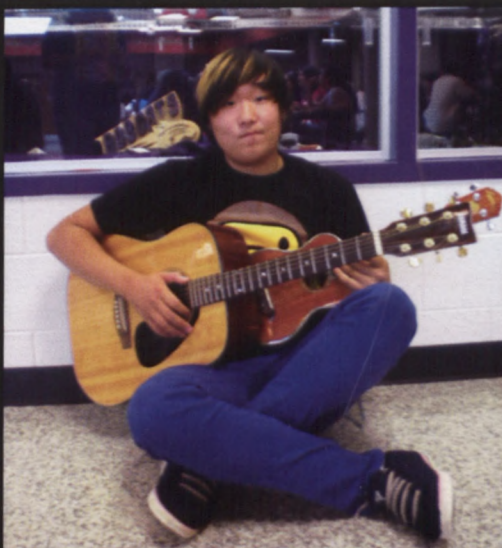

# The what?

What is the X-Factor? The X-Factor is that special quality that makes individuals out shine all the rest. It is what every "American Idol", Academy Award Winner, or "Dancing With the Stars" champion has running through their veins. Do you have the X-Factor? These Battlefield students sure do!

Above: Senior Yu Hyun "Lee" Yi has been break-dancing for a year now. He has his own crew with some of his friends, and they battle it out every now and then.

Above Left: Sophomore Andrew Jung plays a total of ten instruments, but the guitar is his favorite.

Above Right: Senior Bobby Harmon has been bullfighting for eight months. He loves the adrenaline rush!

# The

# Factor

Left: Freshman Grace Charlton says that her flexibility is just her raw talent. She puts it to use at dance, school and also at her dance company.

Below: Junior Sara Abdo has been belly dancing for nine years and was first interested in this dance form because she is from Egypt. Below and Right: Senior Laahiri Chalasani has been practicing Classical Indian dancing for three years to further learn about her culture. She says, "To dance is to hear our hearts speak."

Even though Battlefield High School is packed to the brim with students, each manages to stand out with a special talent. Some are born with their gifts, others learn through years of practice, but everyone has some sort of X-Factor that makes them truly unique.

If you open your eyes, you will see that these Bobcats can blow you away with their melodious voices, astonishing dance styles and some ridiculous "claims-to-fame". If you thought that being able to play one instrument was cool, Andrew Jung can play ten! While skaters rip it up on their boards, John Overbye would rather ride his unicycle to school.

These students could make it on any television talent show, so you better watch out for them because one day, their names may be in lights. They have the X-Factor!

# Best Friends or Worst Enemies?

# SIBLING RIVALRY

Rivalries have and always will exist among siblings. Whether it be between athletics, brains, or talent you know that siblings are going to get competitive with one another.

Siblings often get irritated with constantly being compared to the other. They seek their own identity even though their brother or sister may physically resemble them. What can be even tougher for siblings is to attend the same school. That means the older has to drive the younger in the morning and awkwardly pass them in the hallway. What do you do in this situation? Do you say "Hi" or be cool and ignore them? Many younger siblings have to follow in the footsteps of their older brother or sister. Depending on the person, that could be good or bad.

All older brothers would agree that it is no treat having to see their little sister kissing her boyfriend in the hallway. Little sisters cannot help but blush with embarrassment as they see their older brothers doing something stupid. This causes tension and you know the quarreling will start—the yells will erupt and the insults will be thrown out without a thought.

Rivalry is a natural thing for any siblings in high school. There is just an unconscious urge to outdo the other in any aspect of their life, yet we know after the smoke clears and all the fighting has ceased, they will still be still your brother or sister. Admit it, you love them for that.

There are so many ways to describe the characteristics and personalities of the teachers at Battlefield High School: friendly, humorous, enthusiastic, supportive, spectacular, and inspiring. All those positive traits brought us down to having to choose the ones who outshine the rest...Battlefield's Top Ten Teachers.

The "Top Ten Teachers" were elected by students across school during lunch shifts. This honor is intended to recognize them for the outstanding job they do for us students. Without a doubt, every teacher is great at Battlefield however, these ten stand out amongst the rest.

Below: Band Director, Mr. Brodt, has led his students to winning numerous awards and countless accolades.

Left: English teachers Ms. Hackett and Ms. Chabot pose with their "claims to fame" - Hackett shows off her love for Celine Dion (she even has her name tattooed on her foot!), while Chabot rocks out some of her notorious tattoos.

Below: Criminal Justice teacher, Mr. Evers, helps to inspire future law enforcement officers in his class.

Left: Social studies teacher, Ms. Miles, makes learning about history fun and exciting for her students.

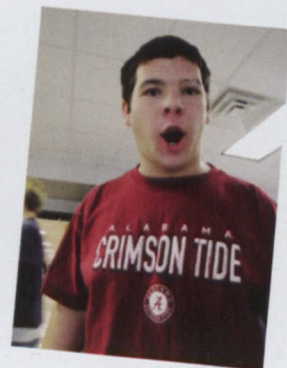

# *perfect* Mix *people*

To the freshmen: Your biggest concern on the first day of school was what the seniors would do to you. You soon learned that there is no such thing as "Freshmen Friday" – you won't get thrown into trash cans. As time progressed, you soon discovered the truth about "the pool" – not only does it not exist, neither does a third floor. Most of this year will be devoted to finding out who you're supposed to be. Our advice to you is to continue to strive for your own perfection – don't let high school mold you into someone you're not. Although it seems like your time in high school may never end, it goes by faster than you can ever imagine. The last thing you want is to look back upon regrets. So we urge you to stay true to yourself.

To the sophomores: You are no longer the underdogs at Battlefield. High school now makes sense – you are used to what teachers want from you and you know how to "get by". Everything is familiar, yet exciting at the same time and your biggest concern is being able to drive on your own. Remember who you used to be and where you have come thus far. Although you think you have high school in the bag, you still need to try. The idea of attaining and maintaining a good GPA is not a myth – soon enough, you will be seeing the reflection and weight of that reality. Continue to strive for your perfection of the adult you one day want to become, and live your life accordingly.

To the juniors: Battlefield is now home to all of you. The dreaded English research paper is finally finished and you feel as if you can conquer anything that comes your way. You have gone through many experiences here and have many memories that will always be with you – the person who makes your heart race, the hallway that you and your best friend used to walk through daily and the teacher who helped you to realize your potential. You may have lost many friends and have made many new ones. You hope to your place in the world and what will finally make you perfect. The truth is no person, team or club will make you perfect. Continue to find your perfection within your gifts and talents not only in yourself, but in those who truly love and care about you.

And to us, the seniors: Finally! We have made it, and it is our time to go out into the world. We can read the previous paragraphs to the other classes and are able to relate and remember our times at those points – the things we did and wish we could take back, tests we wish we would have studied for and words we wish we never said. It is from those mistakes that we have learned to grow into the people we are today. We have arrived and we need to give our final dues to Battlefield High School, our home for the last four years of our lives. It's going to be difficult to say goodbye to old friends, and have to start new somewhere else. The perfect person you were expected to be at Battlefield is now gone, and you will be entering a new chapter with only yourself. Discover who you want to be and never settle for anything less. Look back at Battlefield and remember it as a place of growing up, a place of discovering perfection. The world is now yours, Class of 2010. Congratulations!

My four years at Battlefield High School have truly been the best of my life. I believe I have established my place in society while here. I know that I want to spend my life helping people. The Peer Diversity program at Battlefield gave me a venue to help others as well as the leadership and social opportunities necessary to be a future leader.

I thank all of my teachers for providing me with the knowledge and experience to prepare me for the future. I would also like to specifically thank Mr. Dittmer, Mrs. Beyers, Ms. Drake and Mrs. Ethridge-Conti for giving me many opportunities to help people and better myself as a person. I am going to miss Battlefield, but I am more than grateful for all the experiences I've had here.

I look back at my first fall pep rally when all of the seniors raided the gym floor in their togas. I was so excited to be a senior then and now its here and gone. The past four years have gone by so fast and I wish I could rewind and do it all over again.

Being part of Student Council was probably my greatest interest coming into high school. I worked my way up from homeroom delegate, to 2010 Vice President, to Student Council Vice President, and am now very proud to be the President of Student Council. I truly have cared for Battlefield High and its students. I have always managed to make the pep rallies the best that they could be.

My lacrosse team is what truly turned me from a girl into a young adult. I formed a connection with a team of great girls instantly, but because I have played basketball since I was six, I did not know what was coming when I joined the varsity team my freshman year. Let's just say the little basketball player in big shorts had to adjust to playing in a mini-spandex skirt.

So my most memorable and shocking moments at Battlefield High are tied between my first "Stromboli Day" experience to the breaking of the gym door after our senior pictures when everyone was excited to get free doughnuts. I have grown up in Haymarket. Some people graduating with me were in the seats next to me in my kindergarten class at Mountain View Elementary. We all went from talent shows and Bingo Night to football games, bonfires, and country concerts. Although we are all about to go our separate ways, I know that the relationships made from the Class of 2010 will be everlasting, especially with Facebook around.

Running. Some people may say that all I do is run. Well, that is completely true and guess what?! I will be running at whichever college I choose to attend. I always get questions from people like "How can you possibly run that much?" and "Why do you run?" I can't really answer those questions. I just like to run. It is not something I can put into words, I just like going out for an hour long run to think about nothing, just running.

You can say that cross country is the silent sport that nobody really knows about, but for me, Garrick, Kyle, James and the other seniors who have run for many years, it is a passion. Running for us comes naturally and that is what makes running a great sport to me. People think I am crazy for running so much, but I just consider myself a runner.

Beginning high school is difficult for any freshman, but it was even harder for me since I had just moved into the area. I had lived in the Westfield area my whole life and took it hard coming out to Haymarket. I felt that I belonged as a Bulldog, but as time went on, I started to see Battlefield as my school, and not just a place that I attended. Now, as my senior year is coming to an end, I couldn't imagine a better place to have shared the great times I have had.

I was lucky enough to quickly get involved with the girls' varsity basketball team and meet a group of people who would be my friends all throughout high school both on and off the court. I want to thank my teammates who have been there for me through thick and thin. The memories that we've shared are unforgettable and I will cherish them forever. Each and every one of you are special people and have made a difference in my life, and in me as a player. I don't know how life would be without you. I can honestly say we weren't a team, but a family. Wherever life takes you, I'll be there.

By playing volleyball all four years, I was able to make friends my age and as our graduation approaches I wish the best of luck to all of you. To my best friends, although we have grown apart, our laughs will live a lifetime and you will continue to have a place in my heart. I hope that your journey takes you where you want to go in life. I had other options other than going to Battlefield for high school. If my dad had his way, I would probably have never gotten past freshmen year. I stayed here because this is really the only place I have ever called home. I have known most of the people here for years and some even since elementary school. It is almost time for us to go separate ways in life and it is honestly going to be strange, but like all of you, I am excited to move on, to see what else is out there and also to start my life.

Of course I have to mention the football team. Guys, we didn't make it all the way. We didn't get those rings we talked about, but I wouldn't trade those hot August mornings or late night film sessions for anything. We were a great team, something special, the greatest team in the history of Battlefield, and no one can take that away from us. I don't know how you all feel, but I have never been a part of something that I was willing and glad to sacrifice for until I knew this team. It is something we will have for the rest of our lives.

To my closest friends, we have had a great senior year and there isn't another group of guys I would have rather spent it with. We always find a way to have fun, even if it is spending time in a dark basement. You will always have a friend in me, I can promise you that.

As our high school careers come to an end, I look back and can't help but smile. Of course we've had those miserable weeks with endless tests, projects, and homework where teachers seem to schedule everything on the same day and yet, I wouldn't trade a second of it because it got me to where I am today with all my incredible friends and inspiring teachers. They are the people who have made high school worth it.

I started high school in the shadow of my older brother, Ben, the best kicker Battlefield has ever had. Today, I still hear stories about him and his amazing skills, but it just makes me laugh. He is a part of who I am. My family has been incredible through my life. I would never be where I am now without them.

Of course, high school would be nothing without my friends. There were endless summers at the beach with my best friend, great times standing with my favorite boys in "Da Den" cheering on our favorite team and the countless crazy nights spent out with my close friends. My friends have always been there for me day and night. I know I can always count on them to pick me up or to make me laugh until I cry. You guys made it worth it.

As far as teachers go, I've had the best, especially my favorite English teacher of all time, Mr. Lem. So thanks for always being there to help. And thanks also goes to the National Honor Society for voting me as president and giving me the chance to make a difference.

Our class will leave a legacy impossible to follow. The end is finally here and we are off to bigger and better things, but what we have accomplished here and the memories made will never be forgotten.

# Senior

To my "YBK" seniors: Cendy, Juan, Marissa, Krystian, Manjot, Stephen, Stella, Samantha, Rhyann, Kelly, Rachael, Jennifer, Salma & Madihah:

I am so very proud of all of you. We definitely had our challenges our first year together, but you all stuck together and made for an amazing staff. Each and every one of you made this first year at Battlefield something I will cherish for many years to come! You have raised the bar, Kiddos! I love you all to pieces - seriously, honestly, TRUE STORY! :)

Hannah & Carly:

Oh my GOODNESS! You two have been the BEST editors I could have ever asked for. I really could not have done it without you! You are amazing leaders and I know you will both go incredibly far in your future endeavors. I will miss you tremendously next year. You have both made me really, really proud! Love "you guys"!

Taylor Cordle:

You are a fabulously talented and beautiful young lady! I wish you all the love, happiness and success wherever life takes you! Keep telling Mom that "Farmville isn't real!" :)

To my English seniors:

Matu, Edwin, Maudalena, Nick, Marian, Erlend, Ashleigh and Seth: Yay! You did it! You all did a fabulous job this year. I know it wasn't easy, but you met and overcame those obstacles beautifully! "Today is your day! Your mountain is waiting. So... get on your way!" (Dr. Seuss)  
With love always!  
- Hackett

To all of my 2010 graduating babes! I love you and appreciate you so much for making my first year at Battlefield a good one. I wish all of you the best and hope you all stay off the 5 o'clock news...well, at least for bad stuff! Best of luck to all of you!  
- Ms. Chabot

To my girls: Katie Surface, Genevieve Johnson, Laura Sandtner, Diamond Walker, Christina Bullock, Kendall Dooley, Lindsay Hunter, and Jade Wong. Thank you girls for helping to make this year an amazing year for Battlefield Cheerleading. You are all wonderful athletes and very special young women. I am very proud of everything that you have accomplished. The team and I will miss you all.  
- Coach Hart

Kevin Lopez-Believe in the amazing person that you are. With determination and hard work, there is nothing you can't do.  
Madihah and Salma-Thank you for being my trusted morning friends. You are both beautiful, intelligent, caring young women and I look forward to celebrating all your future successes with you.  
Daniel Callahan-Si no trufas la primera vez, insiste, insiste otra vez.  
To all my senior students-Always believe in the unique, wonderful individuals that you are. Celebrate your strengths and don't let life's road bumps stand in your way. Be proud of who you are and enjoy every day for the gift that it is.  
Woot woot.  
- Sra. Byers

To our 2nd and 5th block English classes from last year - thanks for making it a such memorable year for both of us. We are expecting awesome things from each of you - make us proud and don't forget to come visit us once in awhile!  
- Ms. Donohue & Ms. Webb

Amanda Keeney - thank you for the apple pies, the Pi cake, and the birthday cake. They were delicious.  
Bobby and Brenda - thank you for the birthday song. You would make a great duet.  
Caleb McBride - I betcha I can do more tricep pushups.  
- Metts

Carly:

Thank you for being a great class president. Your hardwork and dedication to the class of 2010 made for a great senior year for everyone.  
- Mrs. Zdravceky

A shout out to the 2010 Graduates of the Orchestra Department.  
From the first rehearsal, I knew you were an interesting group! No two personalities the same. Each of you have had a very special place in my heart. You have made the past four years a different kind of musical. REMEMBER: Don't yawn. Spell correctly. Carols in the Mall. Disney 2020. Be safe. Don't call.  
Miss Thiele-"Bashana Haba'ah"

Taylor Cordle:

I will miss having you commute with me after the last

6 years. Can you believe it?

You are truly a blessing to daddy and myself.

Love your "momma"

Philippians 4:13

I can do all things through Christ which strengtheneth me.

Sam Shellum:

You truly made 2009-2010 better because of your beautiful smile and attitude. We will miss you in the Satellite Office. Good luck in all your future endeavors!!

Krystian, Taylor, Jackie, Hannah, and all the rest of the Park Valley Church Seniors! Keep God in your hearts; he will keep you safe and never forsake you!!

Mrs. Cordle

I'd like to give a "holier" to Nic Dossel! A super sitter, fabu volleyball player and a model "step sister" to my little munchkin! You GO girl!  
- Ms. Webb

Cinq fois ensemble. C'etait super. Bon Courage!!  
- Mme. Clemente

To: BC Left-handed high fives; Jamie: The alley-oop against Stonewall; Mikaela: St. Patrick's Cathedral-Dublin, #1 and state records; Kathleen Mc: "Cheshire"; Tarryn has an awesome last name; Carlos: Pac Man; Kelly: Milione - ceiling; Annie: "Lynn Jones"; Raine: A-Z names; Alison: Fullerton. Unlike some coaches, I knew your first name; Megan: Kahl - a DJ job, wearing a cape, at a stadium.

Class of 2010: Look at cute things before taking standardized tests!  
- Mr. Lem

Mrs. Lucas's AP Literature Classes:

As you continue on your journey, in the words of Leanne Womack, I offer these words to you: I hope you never fear those mountains in the distance. Never settle for the path of least resistance. Promise me that you'll give faith a fighting chance. And when you get the choice to sit it out or dance - I hope you dance!  
I love you all.  
- Mrs. D. Lucas

"Congratulations and I'll be happy to shake your hand." "You're all my favorite students once you walk across that stage." "Come on and get to work." "Now go do something productive and use technology wisely, but remember if you don't control it, it will control you."

- Mr. Piccione

(aka Mr. P, silver fox, big beard, gray ghost)

Congratulations to the following girls on a wonderful Senior year! We are so proud of all that you have accomplished and what you have contributed to your squad. Good luck in the future and we wish nothing but the very best for you!

Katie Surface, Genevieve Johnson, Kendall Dooley, Laura Sandtner, Christina Bullock, Diamond Walker, Jade Wong, Lindsay Hunter - Coaches Hart, Torrero, Brown, and Lance

Congrats to the Class of 2010! Way to go "Du-Hav" seniors; it was my privilege working with you this year and I wish you the best of luck in your future endeavors.

- Ms. Chase-Kang

Kayla, Franco, Max, Jesus, Salma, Chelsea, Ryan, Aaron, and Shancee, continue to learn and never give up! Best wishes for the future!

- Ms. Chase-Kang

Congratulations, Seniors! You did it! I'm proud of all my former students in the Class of 2010. Kyra Konadu, I'm so proud of you for your hard work, dedication and cheerfulness, all in the face of adversity. Your hard work has paid off. Going to miss you next year! Write to me from NZ and I'll come visit. XOXOXO

Ashton (Hayes), I'm going to miss my daily hug after you graduate! Keep smiling, it brings great joy to others.

Alex Fabian, how will we survive next year without your technical expertise? Good luck-your future is bright!

Kristen Healy, I'm so proud of your accomplishments and your personal drive to be involved in the community. Keep up the good work and keep in touch. You ROCK!

Elise (Steele), thank you for sharing your writing projects with me and others. You are really making a difference in the world. Congrats on graduation and good luck in the future!

Nicole Ray and Tarryn Lemmer, my girls! I will miss you both so much, but am sooo very proud of you. Congrats!

Catherine "Sun Ray" Cho-you are so motivated and such a hard worker, I wish you success in all you do. Congratulations!

To all my AP Euro and Geography "kids"-you are amazing! You all have touched my heart and made a difference in my life. I wish you good luck in the coming years!

Maryam Nahidian, thank you sooooo much for sharing so much about your culture with me and my classes. You are a strong, confident woman who will go far! Good luck and congratulations! Tre Drew, keep your head up and keep up the good work! Good luck and congratulations!

Leandra Lamberty, congrats! I'm so proud of you. Remember to keep smiling-your smile lights up the world.

Jeff Asamoah-I'm so proud of how hard you have worked! Look what you have achieved! Keep it up and congrats!

Joycelin Gyamerah, what a wonderful, mature young lady you have become. Congrats! Now go out and conquer the world!  
- Mrs. Gallitz

To the Chorus Seniors -

"Here's to song, here's to time, here's to both with friends of mine,

Here's to friends who raise their voices high.

Kings have riches widely laid, lords have land but then again,

We have friends and song no wealth can buy." Thank you for the last four years and the privilege of being a part of your life. I wish you a life filled with love and music!

- Ms. Gregory

To Grace Lodge:

Cara Grace, ego tibi maximas gratias ago for all the insightful comments you made in Latin class! Super job acting out the characters' parts in the stories. I will miss having such an enthusiastic Latin student. Bona fortuna!  
Vale, Magistra Warren

To Margaret Maruschak:

Cara Maggie, ego tibi maximas gratias ago for all the auxilium you gave me in class! You always went above and beyond the requirements for the assignments. Excellent work! You will be missed in Latin class. Bona fortuna!  
Vale, Magistra Warren

To all Magistra Yount's Latin students - Your

body is a temple! Make good decisions!

- Ms. Yount

Mrs. Wright's students...Let me know of any difficulties with your moon plot parcels as you are colonizing the moon. You all have touched my heart and will stay with me forever. I know you will ALL succeed at whatever you may choose to do. As always-"Be safe! and Don't be stupid!"  
- Mrs. Wright

Genevieve Johnson:

May all that you do lead to a successful life. I will miss you. Run your way into success. I wish you good luck.

- Mrs. J. Johnson

A special Congratulations to Ian Drake on his outstanding performance as senior at Battlefield High School!

Sincerely, Professor Drake

To: Our Front Office Aides:

Kirk Noe, Riley Kearns, Joshua Rount, Kate Ourada, Jocelin Gyamerah, Alyssa Cross, Alexis Bostetter & Shawn Miller.

Thank you for being our right hands to help get things done in the front office. We were truly blessed to have terrific students. We loved getting to know each of you and wish you great success in your future...DREAM BIG! We'll miss you.

Mrs. Blackwell, Mrs. Newton, Mrs. Means, and Ms. McGlynn

To all my students:

I am so extremely proud of each and every one of you. You are exceptional young men and women and it has been my pleasure to have you as my students. You have such bright futures ahead of you and I know that you will do absolutely amazing things in your lives. Please always remember that you have everything you need to succeed in life already inside of you- courage, strength, hope, faith, joy, and grace. Whatever you truly want in this life, all the deepest desires of your heart, you will get; of this, I have no doubt.

Just because you are graduating, this does not mean we have to go our separate ways. I have always been here for you and I will continue to be here for you. If you ever need anything, and I mean anything, you know where to find me. So, go out there and take the world by storm! Live your best life and continue to make me proud! To close, I want to say thank you. Thank you for being the extraordinary person you are and thank you for being my students. And let me leave you with these three little words: "Who's got news?"  
- Ms. Miles

# Shout Outs!

Congratulations

Class of 2010!

From the administration,  
faculty & staff of BHS

Nii Abbey.....I cannot believe you are graduating! I feel like it was just the other day that you and Tyler were kicking the soccer ball into those little goals and running around like you knew what you were doing. And when we thought you were going to leave us to go away to another school in another state we were determined to keep you here and I am so glad you stayed! We love you like one of our own and don't ever forget that! Good luck in EVERYTHING you do and remember, you always have a place to visit at our house.  
CONGRATULATIONS.....Love ya!  
- Ms. Kim (and ALL the Rudisills)

Viviana Arbolada, The nicest surprise I had coming to Battlefield was seeing your adorable face. Watching you go from cute little elementary school student to a smart, beautiful young lady getting ready to go off to college has been a bit surreal. I know you will succeed at anything you try and I wish you the best of luck in college and in life! CONGRATULATIONS!  
- Ms. Kim

To my first period Seniors: Bryan B., Tim, Tori, Johnathan, Daijhan, Hayden, Melody, Lindsey, Mahima, Brandon, Anthony, Erik, Angelo, Zach, Kelsey, Chris, Courtney, Wes, and Jennifer,  
It has been a pleasure seeing you first thing each morning. You have made my first year at BHS memorable and although you tried to talk me out of giving many assignments because "c'mon it's a Monday, or Friday, or the day after a break, or the day before a break, or that it might just snow", you accomplished a lot. Way to go!! You have the potential to do great things and you have a lot to look forward to. I wish you the best for the future.  
- Mrs. Weber

To my Algebra 2 Seniors: Michael A., Nia, Alan, Subhash, Daven, James, Sam, Alex, Christina, Stephanie, AJ, Jessica, Kirstin, Kim, Andrew B., Alexa, Nykea', Juan, David, Caroline, Jon, and Andy,  
You did it! It has been a lot of fun. I always looked forward to Purple days and seeing you all. You have so many things to look forward to in the near future. Expect the best from yourself and those you come across in life. It has been a pleasure, (Yes, even with you Juan). I can't wait to hear about all of your accomplishments. Congratulations!  
- Mrs. Weber

To Katie Surface: I hope you had a great senior year. Good luck in the future, I know you will continue to shine and be the wonderful young lady that you are.  
-Ms. T

A huge Shout Out to my "adopted" son Brandon Oo!  
Congratulations on graduating! Do well in college, don't forget to come see me.  
Love, "Mom"  
- Mrs. Newton

Even though I am not a teacher, I have become attached to many of you!  
Best Wishes to some of my favorite students...I will miss you all!  
Peter Chang, Tom Biestek, Shannon Anderson, Jackson Bishop, Juan Guerra, Leandra Lamberty, Carly Glenn, Kim Esteban, Sydney Wiley, Amaris Lewis, Ian Drake, Tim Brownlee, Nia Bennafield, Debbie Bringas, Emily Heston, Chris Jenkins, Connor Leake, Lindsay Hunter and Alex Latham, Maggie Maruschak, William Matos, Ramsey McRory, Shawn Miller, Aleka Mouratidis, Brandon Nimitz, Jamie Robinson and Jon Shin.  
- Mrs. Newton

And last but not least:  
A HUGE HUG and Best of Luck in your future to all my wonderful office aides.  
Thank you for all your help sorting our mail, walking all over the school, and keeping things straight in the office:  
Kirk Noe, Joshua Routt, Riley Kearns, Alyssa Cross, Joycelyn Gyamera, Sam Shellum, Jeff Asamoah-Debra, Alexis Bostetter, and Kate Ourada.  
Mrs. Newton

5th Block Advanced Math -  
so who makes the best  
quesadillas???  
- Metts

To the seniors in the golf team, good luck in your future.  
- Metts

To the colorguard & band seniors: Thanks for making this such a memorable first season for me. Remember no matter where life takes you, to keep music alive in your hearts. Best of luck!  
- Ms. Peischl

To Laura Sandtner: LAURA!  
-Ms. T

To Katie Surface, Genevieve Johnson, Kendall Dooley, Laura Sandtner, Christina Bullock, Diamond Walker, Jade Wong, Lindsay Hunter: Thanks girls for making my first year coaching a great one! It was entertaining!  
- Ms. Torrero

To Brian Eanes, Jamie Robinson, and Bo Revell: Congrats on a outstanding athletic year. I'm so proud of you boys. Good luck in the future! I know you'll be great and accomplish whatever you put your minds to!  
- Ms. T

Mr. Cook would like to thank the journalism writers and staff for doing a great job on the school paper this year. You have all made real contributions toward the improvement of Inside 15000. It has been a pleasure to work with each one of you.  
- Mr. Cook

From Ms. Brever to her 3rd block: Good luck everyone! You were always my favorites (don't tell 4th or 5th)...I know you'll be amazing! Always remember to ask "why" and never settle for less than your best.

From Ms. Brever to her 5th block: Good luck everyone! You were really always my favorites (don't tell 3rd or 4th)...I know you'll be amazing, and remember me when you become millionaire athletes or billionaire business moguls because as Juan put it so nicely, you'll probably all be making more than me, but no hard feelings :)

From Ms. Brever to her 4th block: Good luck everyone! You were always my actual favorites (don't tell 3rd or 5th)...I know you'll be amazing! You make me laugh every day (almost) and I hope I get the chance to see what amazing adults you become.

For all my seniors: It's been a pleasure and I will miss you all. "Never compromise yourself, you're all you've got." - Joplin  
-Ms. Brever

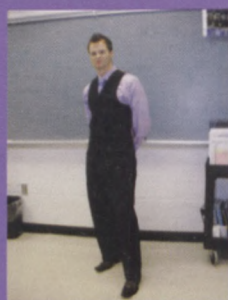

To: K.K Class of 2010: I hope your dreams take you to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known.  
Best wishes.  
- Mrs. L. Johnson

# Practice makes *perfect* sports

Battlefield High School has developed a highly respectable and recognized athletics program. The athletes of BHS are a community that strives for excellence, not only on the field, but in all aspects of life. Hard work, diligence and determination are the keys to victory. Whether running on the track, diving into the pool or spiking a ball into the ground—these three components equate to domination.

Practices can be grueling, but all the pain and sweat are remnants of the past when the team succeeds. Striving to always stay on top and keep one step ahead of the competition, BHS athletes look to family, friends and fellow classmates for needed doses of inspiration and spirit. Da Den, cheerleaders, the dance team and the marching band keep the audience lively and pumped at football and basketball games.

Not only does Battlefield dominate in the sports arena, but they find the time to contribute to the community and various causes. This year, volleyball and basketball participated in "Pink Outs" to raise awareness and funds to help find the cure for breast cancer. All in all, athletics at Battlefield High School are a force to be reckoned with and will continue to be so for years to come.

## Journey to the Championship

By Kelly Moran, Cendy Chou and Jennifer Villatoro

This year's team has been the greatest in Battlefield's history! The boys on the football team were not messing around and they were more than ready to win.

Junior Mike Osei said, "It's a team sport, the ultimate team sport." The players worked extremely hard throughout the summer and school year with tough practices lasting almost three hours. "It all truly paid off because we had an undefeated season leading to the playoffs. Are success was because of great work ethic and team dedication. When I look back on my life, I will always see this as the greatest team." says quarterback Bo Revell.

After being named District and Regional Champions, they were ready for Semi-State Finals against Lake Braddock. The team drew much attention as they appeared in both The Pulse and The Washington Post.

In our final game, everyone was on their toes as the game went into overtime against Lake Braddock. The final score was close -- 24-27, giving Lake Braddock the win. Still, after their first loss, their support did not weaken. The community, teachers, and student body still saw them as winners. Senior Brandon Kerns said, "This football season has been the highlight of all our football careers so far. Most of us have played since middle school, and to see how we have grown and become better players is absolutely priceless."

# Freshman & JV Football

## Varsity's Next Generation

To be on the freshman and junior varsity football teams takes dedication and hard work. The players always have to work to their full potential. They must give 150% at every practice, scrimmage and game. Freshman Jeffery "Bucky" Potter says, "You have to put a lot of effort into building the team." Sophomore Christian Maddox added his highlight, "The best part was when we crushed Gar-Field High School."

Through their persistent hard work, skills and determination, both the junior varsity and freshmen teams completed their seasons with great success and with plenty of memories to last a lifetime.

## Cross Country keeps the competition running on their toes!

Above: The boys warm up a little bit before their race and do a lot of stretching to help prevent any injuries.

The boys' cross country team competed hard this year! They were undefeated with a record of 3-0. Coach S. Michaelis prepared the team and got them moving by consistent dynamic movements, active stretching and several mile runs. Their workouts varied from speed work and hills to hour long runs. To cool down after a hard day's work, the team jogged, stretched and did upper body strengthening activities. Goals are important to this team to have have a successful year. One of the team's goals included winning their district meets. Another was to be placed in the top four at Regionals. They accomplished both and made it to states. Because of their hard work, the team had much success as they placed first, third and fifth at their invitational meets.

The girls also did very well this season. They placed third at the Lee Davis meet and ended their season with a 1-2 record at dual meets. Freshman Nicole Carter ended with a record of 19:40 for the 5k. The girls' main goal for this season was to make it to regionals as a team and have individuals compete at the state meet. The girls, outside of racing, always had fun and that is what really matters.

Both teams made Battlefield very proud to have such fantastic athletes!

Left: Senior Darren Driscoll looks determined as he begins his race.

# Golf.... a way of life.

*By: Heather Duffy*

The players' hard work and dedication throughout the season paid off in the end with a number of victories. Our boys' golf team competed from the district level, at River Creek Country Club, to Regionals, at Piedmont Country Club. Finally, States were held at Smith Mountain Lake. Andrew Lister came home with an individual state championship, but the Battlefield team brought home fifth place. This was one step up from last year and a true sign of progress. Andrew Lister said, "We really blossomed towards the end of this year."

Our girls' golf team practiced between Dominion Valley Country Club, Piedmont Country Club, and Evergreen Country Club periodically. Blair Claflin says, "I never dreaded going to practice and I bonded well with my teammates and coaches." The girls' team competed at the Lake Braddock Invitational, the Piedmont Country Club against Osbourn Park and Robinson, Broad Run Golf Course, Regency vs. Osbourn Park and the State match at Virginia Beach.

Varsity Field Hockey has been more like a family than a team. During pre-season, they bonded over their morning and afternoon practices. Gabby Cirigliano (sophomore) said that, "We are all a family and it is fun to come to practice. I am really going to miss all the seniors next year." When asked what was really important to this years success, the team expressed that "family chemistry" is what allowed them to achieve greatness. Senior Maria Bruno stated, "Chemistry is a big part of the team on and off the field."

This team has put in a huge amount of hard work and dedication. "The combination of hard work and team dynamics really helped make it the great team that it is," junior Rebecca Wescott. This team worked through two practices every day during the summer. The morning practices were the most difficult because of the intense conditioning. During the season, the team generally worked on plays and teamwork, which came real easily to them, and only a little on the conditioning. Head coach Jessica Byrd led the team to 13 wins and no losses with the assistance of Jill Moser and Amanda Brever. This years varsity team will definitely be one to remember.

## JV Field Hockey

The Battlefield JV Field Hockey team has been quite successful this 2009 season. Coach Amanda Brever said the team was full of "good leaders, positive attitudes, and people who never give up!" When asked how they got pumped to win a game, she said that she usually gives them a pep talk to refresh what skills they need to use and encourage them to play their hardest. Coach Brever says, "I explain the main objective of the game and tell them how far they have come." It is important for this team to learn the fundamentals and skills of playing field hockey because most people on the JV have never played before. Their practices are joined with varsity and they start off with warm ups, drills and technique, and they finish with half field scrimmages. Because of all their hard work, the JV team had an undefeated season. They are ready for varsity!

This year's varsity cheer squad had an amazing start and continued the success throughout the season. They have competed at All County where they placed second; Districts, where they placed first; Regionals, where they placed third and finally going back to States where they proudly tied for sixth place with Chantilly .

The varsity girls continue to keep the fans in the stands spirited and loud during football games and basketball games. With twenty-seven members on the team, including seven alternates, the team manages to stay close with each other and support each individual throughout the year. Stay loud and proud, Lady Bobcats! "Believe, Achieve, Receive, STATES!"

# Freshmen and JV Cheerleading

By Ashley Dukeman and Marlee DeAngelus

Good grades, enthusiasm, a strong voice, and most importantly, time and dedication were some of the admirable qualities demanded of this years freshmen and JV cheerleaders. The squads began their season at the Annual Cheerleading Camp 2009. "The team is like a family, we all love and support each other," says freshmen team Captain Kolbi Doss. Not only did the camp bring them closer as friends, but it helped them to become more unified as a team.

Tumbling is a key to getting the students and athletes pumped up before and during games. Cheerleaders must be able to jump, cheer, be loud and peppy and get the crowd going. They have to work hard and they always have to have a smile on their face. The team's main goal for the year is for all of them to achieve and master their back handsprings. To make this possible, the girls worked really hard at practice during conditioning to gain muscle that also helps to lift the Bobcat flyers. "I love stunting, but conditioning, not so much," says freshman Karenn Friedl.

Throughout the year, both squads put forth great amounts of effort to put everyone in the spirit and help our teams succeed. Yet, the real successors are the cheerleaders, themselves, for all their hard work and dedication.

# One Band, One Sound!

From the football games to field competitions, they get the crowd going! The Marching Bobcats have been a Virginia Honor Band for six years. This year has been their best year yet. The band traveled to Orlando, Florida over the Christmas break for a chance to perform in the pre-game show and half time show for the Champs Bowl (Miami vs. Wisconsin). The band took First Place at the field competition that was held at a local high school in Orlando. Because the band took first place, not only did they perform in the halftime show, they also performed in the pre-game show, too! Being a part of this band takes a lot of teamwork, patience and practice. "Practices are intense, tedious and FUN!" says senior Ayana Ames. The band shows how hard they practice by their countless hours on the practice field by taking it all and leaving it all on the field after a competition. This band has advanced from a well known award-winning band to a family that will last a lifetime. Director Matt Brodt is very proud of his band, "Take all that you guys have worked for and give it to them—show them what you have worked for. Take it or leave it."

# Varsity Volleyball

This volleyball season for the varsity team has been fantastic. This year, the Bobcats were led by Alyssa Caudle, Nicole Doxsee, and Kelly Milione. The girls worked very hard this season; their determination was reflected in the games. This year, Mikaela Whitaker was named to the All-Tournament Team. Also, Sofia Gasperino and Mikaela Whitaker were noticed and complimented by the Loudon County Head Coach and coaching staff. This was a big deal because Loudoun is the two-time AA defending state champ. On top of winning their games, the varsity team joined hands with DECA and supported the Breast Cancer Foundation by wearing pink jerseys. They hosted their first game as the "Can You DIG It? Pink Out" on October 5th.

All the proceeds went to the foundation. Senior Captain, Kelly Milione said, "This season is bittersweet. I've known these girls for four years and have shared so many experiences and made so many memories. It will be sad when this year is over, but I know I will look back on it with a smile."

# JV & Freshmen Volleyball

When the junior varsity and freshmen volleyball girls step onto the court, they have one goal--to attack. The girls fight hard because they have to win by at least two points to call it a victory. This season brought the JV team thirteen wins because of their determination. They placed second in the district right behind Loudoun Valley. During the games, the girls efficiently communicate and work with each other to secure their sure success.

The outside hitter and also defensive specialist sophomore Brigitte Boyd was named Most Valuable Player for her, obviously, outstanding skills. In addition, sophomore Mimi Ampomah won the All Tournament Award. The team clearly has strong players.

The girls always want to be on top of their game, so they condition every week and weight lift twice a week, as well.

Sophomore Captain Julie Leavitt says, "You are always on the edge of your seat and anxious when it comes to games. This anxiety brought the girls close together during the season. They developed true friendships and their support and care for one another can easily be seen at any of the games. They love, practice, laugh and win together.

The boys varsity basketball team ended their regular season with a 7:9 record. They tied for first place at the Cedar Run District Championships after a play-off record of 3:1. Head Coach Al Ford had a diligent work ethic in preparing the boys for games during the season. Practices would begin with a warm-up run around the gym to heat up the muscles. Then they would review plays and develop strategies to defeat their opposing teams.

Each and every player brought something different to the court which collaboratively brought victory nearly every time. The players not only entertained their fans, but they also gave back to the community by raising money for Breast Cancer Awareness at their Pink-Out games. The team played, gave and loved every minute this season because of their passion for the sport and the pride they have in representing their school. Junior Chris Lewis comments, "I love basketball because it keeps me in shape and I enjoy it."

## Sum It UP!

It's the adrenaline rush, the experience, the feeling of domination, the intense power of knowing that you are in control that makes basketball so worthwhile. All these players perform their heart out playing this game. Along with the determination, these boys offer a winning and a sportsman-like attitude every time they step on to the court. With the Freshmen team at 7 wins and 4 losses, and the JV team at 10 wins and 6 losses, both of these team have shown that very attitude and clearly have championship efforts on the court. Without a doubt, these two Bobcat teams have shown pride unlike any other.

The Battlefield Varsity Girls Basketball team is filled with wonderful athletes. The team's main goal to achieve this season is to make improvements everyday. To make this happen, the girls practice daily for two hours after school. Head Coach Eric McCaslin says, "At practice, we focus on skill-building & conditioning. Occasionally, the team will have games and tournaments on the weekends which also strengthen their overall athletic performance." This year, Battlefield hosted the pre-season tip-off called the Champions Challenge.

"I love being the girls' varsity coach. There is so much team chemistry and no one ever has an attitude," says Coach McCaslin.

Before games, the girls get a pre-game pep talk and get focused on the game by reviewing what they need to do and listen to music to calm their nerves.

Two athletes on the team are furthering their basketball careers by playing in college. Senior Taylor Cordle has the school record for the most three-pointers made and will play for Shenandoah University. Another senior, Annie Jones, will move on to play at Christopher Newport University. "I'm so excited! It's such a relief!! Now I just feel pressured to do more workouts and improve," says Jones.

"My favorite highlight of the season was easily the team bonding. We are like a family," says Junior Allie Rash. Being a part of the varsity team is quite an honor for the girls. They are role models for their peers and fans by always representing Battlefield in the best way possible."

The JV Lady Bobcats had an awesome season this year. JV finished this season out with a fantastic 11 - 7 record. As the season went on, the word most used to describe the team was, "Intensity," as they demonstrated it throughout every game. Coach Kelly Cordle stated, "We always played hard and as the season went along we started to play better as a team." This new found family bond clearly showed during the games they played. Danya Galdamez said, "This season was a lot of fun, and we had some tough games and some sweet victories."

The Freshmen Lady Bobcats also had a great season this year, with a record of 12 - 4. All of the girls contributed at practice and at games to the best of their ability. Coach Michaelis said, "Try-Outs were scary because of the low number of girls and we were not sure what the season had in store. I was so delighted with the way the team came together this year. Special thanks to Coach Potter who helped out tremendously this season." They had their way of moving about the court and using every technique they had to the best of their ability against their opponent. The famous expression they always used before a game, "lights out," hoping for a shut out game. They showed great teamwork, and became even closer towards the end of the season.

# DANCE

By Madihah Zubair and Salma Zain

This year, the dance team was led by head coach Julie Colgan, assistant coach Kelly Colgan and their team sponsor Melissa Golden. These dancing Bobcats showed their support and spirit at each major football and basketball game. Their foot-tapping dance numbers always had the crowds up on their feet and dancing along. Their song choices went all the way from "Boom Boom Pow" by the Black-Eyed Peas to "Day n' Night" by Trey Songz. They always brought down the house with their smooth moves and hip style.

At the Homecoming pep rally, the girls blew the crowd away again as they shook and shimmied to "I Gotta Feeling" by the Black Eyed Peas. They also managed to incorporate ballet moves into their pop inspired routine. Their hard work and talent were rewarded when they won the first place trophy for the Officer's Routine and Jazz at the Prince William County Dance Champs held at Woodbridge High School. Way to go, Lady Bobcat Dancers!

The gymnastics team proved themselves superior over their competition for 2009-2010 season. Their agility, athleticism and pointed toes did not go unrecognized since the Lady Bobcats earned the title of District Champs and took second at the State competition held at Osbourn Park.

The girls worked very hard everyday after school and “chalked” up their skills on the bars, beam, floor and vault. Senior Mandy Brown says, “One thing Mrs. White always tells us is to stay tight.”

Aside from the pointed toes, upward chin and staying tight, strength is a huge part of gymnastics. It is a sport that works every muscle in the body and one that takes years of training to perfect the skills necessary to be a successful and talented gymnast. Not only does one need to be strong, but their will power must be as equally strong.

This season has truly been spectacular for the girls and will not be forgotten. “This is the best we’ve done in years,” says senior and captain Katie Surface.

At the end of the day, there is only one team out on the track no matter what the weather conditions are to run, jump, and sprint. Beginning in late fall, the runners will congregate at the stadium to start warm-ups and work-outs. They want to build up their strength, speed, and endurance. This year, a numerous amount of students came out for the indoor track team-- all with the hopes of getting into shape, making new friends, and winning the race. Some of the athletes participate simply because they love to run, but junior Aaron Herwig says he doesn't like to run, but when he finishes a race he feels as if he has accomplished something.

## Just keep swimming, just keep swimming.....

The Bobcats have been known for their successful swim team since the opening of Battlefield. In her sixth year coaching, Karri Guiliani lead the team to another victorious year. The 2010 team consisted of 131 dedicated members. That dedication lead to the boys becoming District Champs. The team also recognizes Senior Nick Tremols, who became a 2010 Virginia State Champ. When asked how he feels about this prestigious title Nick replied "Since my freshman year I have dreamed of becoming a state champion. After a lot of hard work and determination; it feels good to finally be on top."

# Wrestling

By Samantha Ly & Manjot Kaur

Locking in and pinning down the opponent is a rush for the Battlefield wrestling team. This year they have dedicated countless hours and sweat to try and build a winning wrestling tradition. They had several successes this season. In the 2010 Free Lance Super 32, senior Matt Bowman placed first, Billy Martin placed second, Tevin Cooke placed third, Emmitt Kelly placed sixth, and Ryan Sepulveda placed eighth. The Battlefield wrestling team placed seventh out of thirty-three teams.

Wrestlers do not have to be big, they just need to practice and have a diligent work ethic. Senior Matt Bowman says, "The sport is more of a lifestyle than anything, it is a full-time thing." Another important factor to the team's success is their ability to build-up one another.

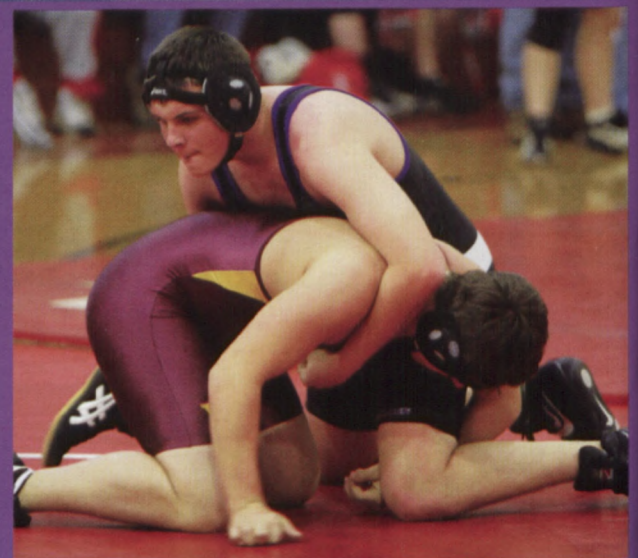

They spend two and a half hours everyday after school for drilling practice and conditioning. Billy Martin adds, "Wrestling is a tough, physically straining sport that only you can control, no one else." The wrestling team has to manage and maintain a healthy disciplined diet to receive their proper nutrition for the day and maintain their desired weight because before each match they are required to weigh in, so they've got to watch what they eat---that means no sweets or junk food. Battlefield appreciates your sacrifice and talent boys!

## *There's nothing soft about it...*

By Manjot Kaur & Samantha Ly

Imagine bases loaded, you're up to bat and you hit a home run; wouldn't that be the most exciting feeling ever? Well, for the Varsity Softball girls, the most thrilling feeling is when they win together as a team. "Softball is a very intense sport and you always have to be paying attention since a lot of hand-eye coordination is needed" says Junior **Erika McLaughlin**. The girls live by the motto "Fear None, Respect All" and step out on the field with an optimistic attitude. Communication, trust, and chemistry are important for the team because those three help them put a victory on the board.

The main goal for the girls this year was to make it to states for the 3rd year in a row. Their practices are usually chill but the bobcat ladies know they have to work hard so when it comes to game time, they're ready. The girls know exactly what team work means and they act as if they're a family. They enjoy playing softball with each other because the girls have been playing together since little league and being on the field is a hobby for them.

Throwing the ball and striking out the rival player can be hard, but the Bobcat JV Softball girls can successfully take out their opponent. The endurance that these girls overcome through running around the bases and smacking that ball to the outfield is unbelievable. According to Samantha French, "Softball to me isn't just a sport or a hobby, it's a passion, and I wouldn't play a different sport". This just shows how much dedication these girls have for softball. Whether it's hitting a home run or catching a fly ball, this sport can boost so much self esteem because of doing something good for the sake of the team. The sportsmanship and friendship that the JV team portrays is flawless. No matter what the weather, Battlefield's JV softball team will pull through to make outstanding accomplishments.

## "No Excuses, Just Results"

*Rachael Schortemeyer & Tara Kinney*

Last year's varsity team was one of the final eight teams standing in the state of Virginia. This year, they hope to finish on top. Led by the three seniors, John-Austin Shepard, Bobby Seagears, and Brandon McMahon, this year's team hopes to become Battlefield's first team to win a state title. Coach Matt Caudle believes that "winning it all is the goal every year." Coach Caudle hopes to take his team to the state championship this year with the help of his assistant coaches David Carroll and Greg Williams. The Bobcats traveled to Florida over spring break to compete in a tournament with teams from Florida and Kentucky.

This team trains year-round exhibiting their dedication and devotion to the sport. With their 6 a.m. workouts during the summer and in the fall and winter, this team is prepared to tackle the great challenges of the season ahead. The captains John-Austin Shepard, Bobby Seagears, and Chris Wendle hope to have a dominating season and a great year overall.

# JV BASEBALL

Hard work, dedication, and practice are three components that make a great baseball player. From throwing the ball, catching, hitting, and running the JV baseball team goes the whole "90 feet". Baseball is ranked as one of the most top ten played sports in the world and is America's past time. These boys not only take part in a sport but also carry on a tradition that has been around for over a hundred years. Our JV Bobcat baseball players know what it takes to work hard, be dedicated, and practice. They practice every day after school rain or shine working on all their skills and learning new strategies to help them on the field. Baseball not only affects life on the field but off the field as well. Freshman Charlie Husser says "Baseball builds character and sportsmanship which are traits that I can use later on in life." The JV Bobcats worked hard this season and through the ups and downs stayed committed and pulled through in the end.

Senior Sarah Jatib saves the ball on defense running it down to the attack.

Sophomore Mary Margaret McCalab sprints down the field on a fast break.

This year, the girls varsity lacrosse team is ranked 1st in Prince William County and are ranked 2nd in the Cedar Run District. The team is planning on going to States this year just like they had last year and possibly to go further.

"Our practices are very intense and extremely competitive, almost too competitive," says Junior Allie Rash. They practice right after school for 2-3 hours every day. Head Coach, Jenny Tran, is huge on one-versus-one practices. The team is inseparable and the chemistry is powerful. Teammates say that now they play more as a team than they had before and most everyone is compatible with each other.

Team goals for the season are to become better and stronger players as a whole. Also, the team would really like to beat Broad Run High School to better their record.

Many of the girls have been looked at by many different colleges to play at the next level. Junior, Caitlin Hester, is one of them. She has committed to attending Ohio State and playing for them as well.

The girls on the varsity team are huge role models to the up-coming players and spectators. The team was very successful this season and is hoping for another great season next year. As Junior Morgan Clark would say, "LAX is life!"

# Girl's JV Lacrosse

The girls JV lacrosse team is a well rounded team with so much spirit. The team practices very hard but yet they find a way to make it fun, while still being efficient. Before games, the girls usually walk up to Subway to eat and walk back to have a team talk, and briefly go over stats and things they need to work on. The JV team all have "Big Sisters" where they are paired up with players on the varsity team so they could discuss important things about the sport and new techniques to make them all better players. The JV team plays first before all games and after their game is done, the girls stay and watch the varsity girls compete.

The girls are huge in Team Chemistry. "The team is great, I can talk to anyone on my team like a sister. It's amazing how tight we are! We love team bonding." says Sophomore Amber Woodard. The team Captains Hailey Boone and Ashley Bishop keep the team organized and spirited.

Team goals for the season are to win with a good attitude and still be aggressive. The players would like to become stronger and hope next year to make the varsity team.

Below: Zak Goings, Jon Hanlon, Aury Holtslag, and Corey Schumacher are working hard in delivering mulch, one of many lacrosse fund-raisers.

The boys varsity lacrosse team consists of a hard working group of boys who work as a team. There is a lot of chemistry among the boys, whether it's on the field or just hanging with the crew "lax bros". Junior Matt Beans said, "The best part about this team is just being able to hang out and play lacrosse with all my friends after school everyday and being able to learn the game". The boys lacrosse team enjoys Coach Marsh pushing them in practice and on the field to be their very best. Junior Freddie Potter said "The highlight of this season has been coming together as a team and not relying on one player". If you ever notice on the uniforms of the lacrosse players, it says "Me-We". The boys do a great job of modeling that motto on and off the field.

Below: Matt Mullins runs for the goal while playing against Osburn Park.

The junior varsity boys' lacrosse team worked hard to have a very successful 2010 season. They practiced vigorously everyday. Coach Kevin Marsh strategically came up with plays that the team memorized to defeat their opponents. Lacrosse isn't just a physical sport; it takes lots of skill and careful planning--one small mistake could cost them the game.

Without a doubt, the JV boys' lacrosse team shows dedication, power, and commitment to BHS. This kind of attitude and team work represents BHS like no other.

If anyone ever told you soccer involved just kicking a ball between two goals, and that the game itself was simple and uncompetitive, there are twenty Lady Bobcats who will tell you in an instant that you couldn't be further from the truth. The team practices everyday after school for 2 hours. "Our practices are very intense, we all work hard and especially work as a team," says Junior Tara Rotante.

The team took a trip to Kansas City, Missouri where they played in the 'Heart of America Classic Tournament.' The Bobcats walked away with Third Place, winning two games and losing one. "We couldn't have done this without team chemistry, we're truly like family," says senior, Team Captain, Sahar Aflaki.

To keep the team focused before the games, senior Katie Ostroveky leads the team with a simple prayer. Their goals for this season are to go to States, win Regionals, demolish Loudon Valley, and to become overall better players.

The girls varsity team has left a lasting impression on the season itself. With only a few seniors leaving, the future team will continue with their hard work and take on expected goals. Although the season was hard work, it was all completely worth it.

## 2010 Girls JV Soccer!

"The JV girls have worked really hard this year to overcome delays from snow, rain, injuries and all sorts of other unexpected issues to become one of the best JV teams in the programs in history yet. They are undefeated to date and stand ready to face their biggest rivals. Even more important they have great attitudes and make the season fun for all of us." Amanda Brever. The girls have contributed a great deal to the Battlefield soccer program. They have grown tremendously as a team and gradually transformed into a family.

## Just Kickin' it!

This season, our boys played their hearts out. Playing in rainy, cold and sunny weather, they brought nothing but their A game. The team is led by Coach Pimsaen with the assistance of Mr. Del Cid, Mr. Bretsch and Mr. Metts. Everyday after school, the team would meet up together for a mandatory study hall so everyone can get their school work done. Then the boys go to James Long park for conditioning. Striving for success, the team's hard work and dedication paid off, giving them an incredible season. This year will definitely be one to remember for most of the boys. Having to rely on each and every player, they have grown into a family who all share the same love of soccer. Coach Pimsaen said, "Our goal is to focus on one game at a time and not look too far ahead. Along the way, I want them to work on their self discipline in all aspects of their lives."

As the new season for JV Soccer starts, the players are enthusiastic about showing their skills on the field. In many hopes of many victorious wins this year to add on their reputation, The Battlefield High school JV soccer team began the season looking forward to bringing home the trophy. As the spring season arrived, the soccer team began their conditioning and tryouts. During practices, they worked on their skills and techniques that each player brings to the field.

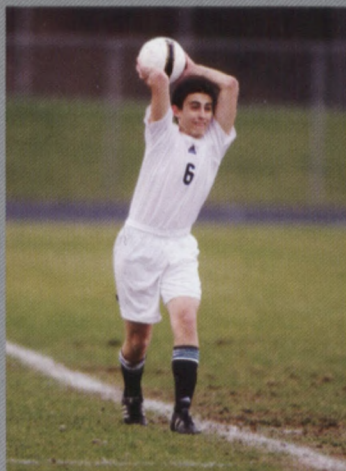

The soccer team brings players together not only as teammates but as brothers, motivating each other to do well in their games. Coach gives the boys a good pep talk before an astonishing game, boosting up the teams energy. The boys show lots of team work as they pass each other the ball on the field. Who needs a Chevrolet? We RUN everyday! A group of warriors unite as they go through one of the toughest and most difficult sport out there—outdoor track. Though there will be much hard work beforehand, it is clearly all worth it in the end, as senior Garrick Clemente states, “Competing against someone and beating them with determination, sweat, and blood makes all of the hard work worth it.” As clearly shown, championship attitudes will result in championship players, and with championship players, it makes another champion Battlefield Bobcat team.

Senior Chris Thompson says, “I do not lie when I say you’re going to feel every bit of pain, but the best part about outdoor track is that we have friends that share the pain with us, and then we share the victory.” Outdoor track is clearly shown to be a sport that really pushes people, but only few can be a part of this group, this team, the Battlefield High School Outdoor Track Team!

# *perfect* Experience...

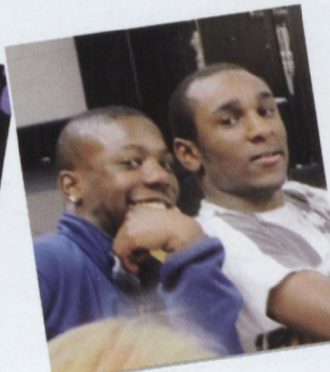

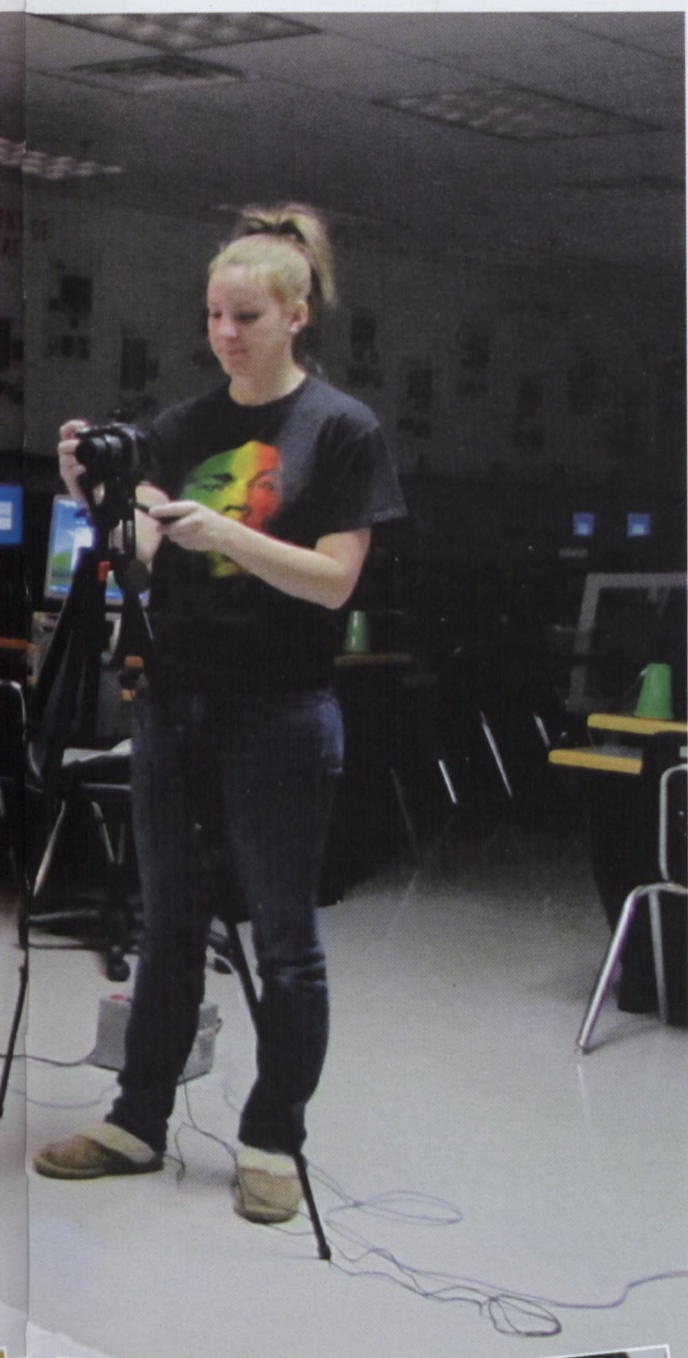

## *scholastics*

"Education, friends, boys, girls," are the responses you'll hear from students when asked what they think the main reason of school is. The truth is that not one element makes up one's time spent during the years of high school. It is the experience, the perfect experience, which makes our time well spent within these walls for the four years of our lives. At Battlefield High School, we strive for excellence. Everywhere you go, you will hear "Success is a Choice." Whether it be testing in the classroom, serving in the community, or leading in clubs, everyone desires to have the perfect results. Yet if it wasn't for our instructors, those who put countless hours inside and outside of school pouring into our lives, perfection would only be a vision out of reach.

We thank our teachers for pushing us to what we thought was our limit, and then further. We thank those who volunteered to lead our clubs; those who took on our dreams and helped us reach them. We thank the staff who came to our fundraisers, whether it be the spring carnival, our many plays, or Friday night games—giving up their weekends to show us that they care, on and off the clock. The one common bond linking the staff here at Battlefield is simple—their aspiration to see us succeed.

The following pages are all filled with our classroom experiences, marked and remembered by those who lead us. The clubs we attended—whether it be countless honor societies, clubs helping our communities, or clubs where we finally found our own place to belong, we thank those who stepped out to take charge of them, shaping a part of who we are. It is impossible to think of our experience at Battlefield without thinking of those who exposed us to every emotion possible—dread of the upcoming test, accomplishment of that "impossible A", grief of the unexpected essay, and joy of movie day. Thank you staff for giving us a great experience at Battlefield High School, one that could be known as perfect. We'd like to give you all **The Perfect 10**.

# Guitar Club

The guitar club at BHS not only provides pleasure to all the musicians participating, but could also have one of the biggest impacts on one's life. If these individuals choose music as their future and career, they will definitely impact the lives of others through their creativity and talent.

The guitar club proves that, whether you are a beginner or a professional, you ARE a musician. As Kevin Engle says, "What I like about guitar club is that it is so welcoming and you can be who you want without being judged." If you are going to be here next year and have a guitar at home, pick it up and join the BHS Guitar Club so you, too, can be an inspiring musician!

# Debate & Forensics

The Debate and Forensics club at Battlefield High School is very prestigious. They have one interpretive speaker who went to Nationals in Nebraska. Battlefield is this years Cedar Run District champs, with Frankie Petricoin finishing in 1st place and Nicole Dierolf finishing in 3rd. With Mr. Florer coaching the Debate and Forensics club they went for Regionals with a full head of steam.

They are the best debate team in Prince William County, that's something that isn't debatable.

DECA is the club that rules Battlefield High School. Every student and staff member knows about the doings of this monstrous after-school activity. With over 400 members who diligently strive to sharpen their entrepreneurial and marketing skills, DECA is a club for marketing students nationwide who strive to be leaders in the business world. This year, Battlefield students competed at District, State and the National Level. Some competitors were involved in business role-plays while others wrote manuals on community service based projects. With twelve people competing at the National Level in Louisville, Kentucky, Battlefield has made its name known through DECA.

Fearless leadership comes from their sponsors Mrs. Adkins, Mrs. Smith, Mrs. Wilkinson, and Mrs. Homan. These ladies are constantly living and breathing DECA as well as the club's four co-presidents Katherine Wren, Rachel Jacobius, Lindsey Hunter, and Laura Sandtner. Many of the graduating seniors who have participated in the club through high school will continue as they attend college next year. Seniors Rachel Jacobius says, "DECA is life."

Battlefield's Drama Club brings much joy and excitement to the students here, and provides experience to what it is truly like to be in the acting business. It improves social skills and teamwork. This club, led by Mrs. Bellino, has really been an inspiration to many and has impacted Battlefield High School with the success it has had. Through plays that reflect on holidays, whether they remake stories, or whether they just provide enjoyment and satisfaction to not just students, but many families, the drama club has no greater goal than to continue to show success in Battlefield High School, and create possible future actors or actresses, set designers, technicians or even directors. Look out, Hollywood!

Annie Haden is a senior and this year's Drama Club President. Along with being a superb student, her dedication to drama is impeccable! From coming into school incredibly early in the morning to staying after school until unknown hours, this shows just how much she loves this class. At Battlefield, she has starred in "Fame" as the dance teacher, "The Magical Land Of Oz" as Dorothy and she directed the play "CUT" in the One Act competition. The kindness she portrays is very inspiring and her laughter is contagious. You can always catch her with a smile on her face. Without her help this year, this club would be nothing. # Global Operations

By: Cendy Chou & Kelly Moran

This small club's concern is helping people internationally. Started this year by Jordan Soriano, a sophomore at Battlefield, their biggest and latest project is to help fund raise money for Haiti. Having a meeting each Tuesday after school, Global Operations discuss how they can help the world and different countries in need. They have come up with several fantastic ideas such as a coat drive for people lacking clothes. Those clothes will be shipped back with a friend who constantly goes back to Haiti to help. Along with the coat drive, the club also makes posters to enlighten people about their club and cause. Their goal is to send a message to everyone to help and support each other. When asked, "What would you say to people who are ignorant about global warming?" Jordan responded, "Being ignorant isn't the way." The club continues to work hard to help people all over the world.

# Reduce Reuse Recycle

by Cendy Chou

With the goal--reduce, reuse, recycle, Charlie Krauser, Sarah Kennedy, Jesse Iholts, Russel Dunlap, Erin Irwin, Casey Wagner and Samantha Arnolds set in their minds, a group of young students gather together every Tuesday afternoon prepared to make a change. With their president and leader, Casey Wagner by their sides, these students in the Environmental Club face the challenge of making changes that benefit our environment. Ready to tackle down the recycling boxes that a student may see every day in their classes, the Environmental Club splits up in teams and starts their task of gathering bags full of

used papers, empty water bottles and lunch bags. Taking these bags out to the back of the school, these members work diligently, gathering a sense of pride that they are making a change in their community. The Environmental Club has not only started and continued the recycling program in our school but has done several other projects such as teaming up with Key Club to do a stream clean up in the back of our school, volunteer on Earth Day, and much more. With our need to keep our community clean and healthy, this group continues to strive to protect our school and make a difference in their local community.

FBLA stands for Future Business Leaders of America. This club consists of many students who are currently enrolled in business classes. It gives students a chance to learn more about business and how to conduct meetings and keeping organized.

When the club meets, they discuss upcoming events in the school, and how they are going to participate. They also try to think of fundraisers to help the club budget. Not only does the club consist of meetings and fundraisers, but also social events. FBLA allowed students to meet other people and enjoy learning about being leaders.

The organization has organized many exciting events. For example, members of the club held a food drive for people who are less fortunate all across the country.

The club also gave its members a valuable chance to use their skills in competition. The members compete in district, state and national competitions in various fields of interest such as typing and other business skills.

FBLA members worked very hard to accomplish their goals throughout the year. With participation and dedication, the members worked together to make the club a roaring success.

Interact Club isn't only a community service club, it's also very enlightening. They do many things ranging from raising money for Haiti to stuffing Easter eggs for homeless children. The Interact Club does many things to help and support our community and the world. Sponsor, Mrs. Rector, is upbeat and enthusiastic which encourages people to help out in useful ways. Interact works with the Rotary Club to gain skills that will help them in the future.

# CRIMINAL JUSTICE

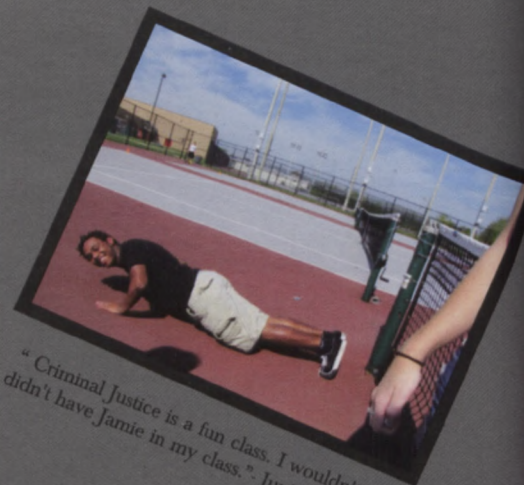

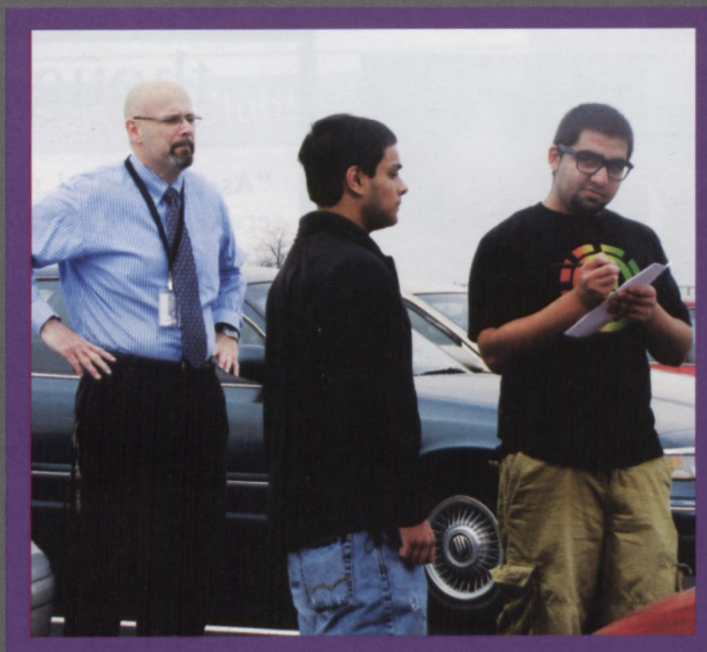

Here at Battlefield the students are lucky to be given the opportunity to take Criminal Justice. The program is very hands on, providing an exciting learning experience. Criminal Justice provides students with the experience and training needed to achieve greatness in the criminal justice fields. The Criminal Justice program is available for juniors and seniors only. The students who take the classes are lucky to have Mr. Evers and Mr. Fletcher use their experiences to help them further their abilities. The classes are packed with fun and exhilarating learning projects.

Once a week, the classes go to the auxiliary gym to learn defensive tactics and maneuvers. Senior Reed Miller believes he auxiliary gym is what "makes the class enjoyable".

# Air Force JROTC

*Coln. Cartee believes the best thing about teaching is to " Watch the students grow and mature into young adults from what they learn in the program."*

The AFJROTC program helps students prepare for the military. It teaches discipline, teamwork, and respect. This program helps create numerous opportunities for students who wish to have careers in the military. Senior Nick Jones backs this up by saying " Without Col. Cartee's help with college I would probably be looking for a job this summer instead of driving to West Virginia University.

"The students learn the correct formation and turns for marching, giving them a leg up when they start their careers in the military." Here at Battlefield, it is a tradition for the students to raise the flags in the morning, and lower the flags in the afternoon.

The Many Cultures  
Of  
Battlefield

"We are one community." This was the motto that the International club followed. Their goal was to promote cultural diversity here at Battlefield High School. The members worked hard to prepare for International Night. When asked what International night was, sophomore, Gabriel Castro-Aguilar replied "International night is when different cultures come together to show other people what their culture is about." International Night consisted of welcoming in different languages, a fashion show, a talent show and an international potluck dinner. Yum!

# KEY CLUB

**Where the community comes together...**

Volunteering to clean streams, helping children with Autism or donating money for those in need is what "Key Clubbers" do. Key Club is an organization led by students to help the community. "Our goal is to gain leadership skills through serving others," says senior, Laahiri Chalasani, who is also the President of the club. This year, the members did a lot to give back to the community. They raised money for a Diabetes walk and an Autism walk which was held in Washington, DC. During the Christmas season, the club sold merry messengers for a Care Kids project. With the money earned from carnations and candy canes, they bought presents to those who were less fortunate.

Key Club members attend several events every year such as the District Fall Rally, and the District Convention (DCON). The Lt. Governor of Division 10A, Colleen Marie Savoia says, "DCON is a great place to meet different key clubbers from all around the Capital District, and participate in a bunch of activities."

# National Honor Society

Above: Senior Michelle Martin is Vice President, Kelsey Burden is president, Caeden Park is Service Chair, Peter Quan is Historian and Ann Lee is treasurer.

National Honor Society members are Battlefield's cream of the crop. These students are inducted during the spring of their junior or sophomore year based on demonstrating the traits of scholarship, leadership, character, and service. As a part of the society, members must maintain a grade point average of 3.7 or higher and accumulate at least thirty community service hours per year. To reach this high expectation, students participated in Shoeboxes for Soldiers, a school blood drive, and several varying mentoring and tutoring programs in surrounding elementary schools. Sponsors Maureen Lucas and Shane Jernigan oversee the meetings and provide information about service opportunities, but students are who keep the society honorable and running. President Kelsey Burden ensured the success of the "Shoeboxes for Soldiers" drive by encouraging everyone to participate. The fruition of her efforts was a total of fifty boxes to be sent to various troops. For the Blood Drive, after careful planning and organization, the National Honor Society cooperated with INOVA to help raise 92 units of blood on December 15, 2009. The programs that were continuous throughout the year were the library tutoring sessions held on every Tuesday and Thursday as well as the I-Can tutoring program. Society members helped students with all subjects and on homework, studying, and projects. They are not only an inspiration to the students, but also the community as a whole.

# French Honor Society

Below: Students celebrate Mardi Gras which is also known as Fat Tuesday.

Bonjour! French Honor Society is one of the most engaging and informative cultural honor societies at Battlefield High School. With thirty members studying French 3, 4, or 5, they explore a new country by attending events and speaking the language. This year, society members attended Cirque du Soleil which is a Canadian circus with French influence. They were entertained by acrobats, singers, and clowns. Aside from the circus, members also went to Frog and Friends which is a restaurant in Marshall, Virginia which features French cuisine.

So you would think that all they do is have fun, but French Honor Society members also take time to tutor less experienced French speakers. In addition to this they helped in a school-wide fundraiser to raise money for earthquake relief in Haiti. One of their big events this year occurred on March 20; the society gathered eighty-three students to participate in French Folie Francaises. It was a day dedicated to studying different French activities and was held at Osbourn Park High School. Secretary Christina Bullock comments, "The whole club is like a family and I have really enjoyed the past two years."

Spanish is a widely spoken language that is becoming more predominant throughout the United States. The culture in our country has changed a great deal to where the younger generation is being exposed to Spanish on T.V. and almost everyone can speak a phrase or two in Spanish. All of these reasons and more are why the Spanish Honor Society is made of such an interesting and academically challenging group of students who desire to not only broaden their knowledge of Spanish, but to learn more about the rapidly rising culture that our country is becoming accustomed to. SHS is a fun and exciting club where there is a lot of energy, food and things to do! On top of learning more about the language, the SHS participates in many community service hours and educates those interested in Spanish. So bienvenidos! And welcome to the wonders of SHS!

# National Latin Honor Society

"Carpe Diem," or "Seize the Day" is a phrase most people are very accustomed to. This Latin phrase is one that Battlefield High School's National Latin Honor Society is used to saying along with many others. This prestige group has a requirement of a 3.7 Latin GPA, being a third year Latin student, as well as an overall high school GPA of a 3.0. Although many people disregard Latin and its benefits, Latin is very beneficial for understanding the meanings or words as well as helping with vocabulary on the SATs. So Carpe Diem and join the NLHS! Your passion for Latin and your understanding of your own language will grow exponentially!

Double, double, chemicals and acids go bubble. Science National Honor Society has a way of brewing up fun and learning at Battlefield High School. There are over 35 members who all have a passion for the various sciences taught within the building. Members are admitted via an application process. Once an official part of the society, you must stay enrolled in an advanced science course and maintain an overall grade point average of 3.5.

Over the school year, the students will tutor fellow peers who are struggling in science and serve as judges for local elementary science fairs. Their biggest shin dig, however, is Catwarts. Catwarts is a Hogwarts themed science day where the society members teach elementary students about varying sciences in a fun and interactive way. It goes beyond the daily classroom methods the children are accustomed to and sends them into a whirl of scientific sensationalism. Science National Honor Society has a knack for concocting new passions for science.

"Character is higher than intellect...A great soul will be strong to live, as well as to think. English Honor Society has emulated Ralph Waldo Emerson's words through the 2009-2010 school year. Although, members are required to maintain a 3.5 GPA overall, the number of good deeds they have done exceeds this minimal expectation by far. Members have volunteered everyday of the week at both Alvey and Gravely Elementary schools by assisting students with reading and writing, as well as all the other core subjects. Mid-year, the members also had a book drive.

This society is recently new and came from Battlefield's previous Quill and Scroll. They wanted a club that would be accessible to the entire English department. This makes the club unique and that is why Mrs. Ethridge-Conti chose purple to be the color of the honor cord that seniors earn and wear for graduation. The society truly stands out among the rest and its members keep the expectations high.

Peer Diversity—making a world of difference, one peer at a time. This exclusive group receives training on anti-bias education and diversity training. The Peer Trainers aim to help Bobcats recognize bias and the harm it inflicts on individuals and society today. Peer Diversity originated from an organization called The Anti Defamation League, which was created to end discrimination against all Jews. Today, it has become a bigger deal and it is battling discrimination against all races and ethnicities. The Peer Trainers conduct workshops and activities with English 9 classes right before Spring Break. The Trainers are led by Mr. Stephen Dittmer. He thoroughly enjoys being a part of Peer Diversity. "This was truly a great year for Peer Diversity. I am really going to miss our seniors. They have really helped make a difference here at Battlefield and I know they will continue to do so in college."

Branching off from Peer Diversity is the GSA (Gay Straight Alliance) Club. GSA at Battlefield was founded by senior David Aponte. After only one year at BHS, GSA has already attracted many students. The club talks about rising issues in the Gay community and the members also try to make an effort on creating a safe environment for homosexual individuals in this school.

Both clubs, alike and different in many respects, have enabled many students to find their voice in a crowd of so many who have tried to silence them.

# Student Council Association

Mr. Schelzo poses for his up close shot to kick off his modeling career.

The Student Council Association gets the ball rolling even before the school year starts. With elections held the previous year, the SCA wastes no time. Meetings for the SCA started in mid August with one thing on their minds--homecoming. Meetings continued into the year with weekly after school officer meetings and monthly officer and homeroom representative meetings. The theme was soon decided and, in no time, operation. "A Whole New World" was underway. Everything from dance forms to decorations was needed to be organized. Homecoming week rolled around in a hurry, but all

were well prepared. The homecoming game was a great success and although the pep rally and homecoming game got rained out, no spirits were lost, and the festivities were rescheduled for the following Monday. With the homecoming chaos at rest, the SCA started taking on other projects such as raising money for Pennies for Patients, planning and successfully having a second pep rally indoors, and the Spring Carnival. The SCA did a lot for the school this year. Senior class President, Carly Glenn, says "Creating our class float and planning the parade were my favorite things this year." Their leadership and hard work shined through and proved that young adults can work together and create something bigger than them.

# Solving the Problems of the World One Conference at a Time...

## Model United Nations

Battlefield's Model United Nations club (BATMUN) has had a very successful year on the conference circuit. The biggest win for the club overall was receiving the Secretary General's Award for Small Delegation at the Prince William Model United Nations conference. When asked what she likes the most about Model UN, senior Kerry Campbell says she likes being able to discuss pertinent world issues with her peers, while taking over an opinion that might not be her own.

In preparation for conferences, delegates are assigned their committee, research topics and write a position paper. In novice committees, delegates represent a country while in advanced or crisis committees, delegates can represent a specific person from history or a current world leader.

This year kicked off with My First Model United Nations conference which allowed new delegates to learn about parliamentary procedure and the basic ins and outs of Model UN. Junior Samantha Perez says that her expectations of Model UN included "good debate on world topics and issues." To say the Model UN "gets around" is an understatement! This year, the club traveled down to Williamsburg for the William and Mary High School Model United Nations Conference.

The 2009-2010 school year offered a myriad of wonderful experiences for the club and its members that they will remember for many years to come.

# Tri-M

## The Music Honor Society

Above: Tri M members Katherine Barnhill, Cody Payne, and Tori Pederzani hang out together before school.

Above: Tri M members love to sing around the piano after monthly meetings.

Tri-M, which stands for Modern Music Makers, is an honor society for musicians. It represents the passing of love and passion for music onto the next generation. The criteria for being in Tri-M is having and maintaining a 3.0 GPA and being a leader within the music classroom. Consisting of chorus, band, and orchestra students, they meet once a month to share musical talents, ideas, and friendships. President Luke Hudson states, "I love the community of musicians that Tri-M brings together; experiencing the different talents and passions has been the highlight of my year. Having the honor of being the leader of Tri-M has made my senior year better than I could have imagined."

This year, Tri-M participated in community service projects such as the Recovery Bowlathon, which raised \$400.00 for the Music Corps Organization at Walter Reed Hospital. Junior Matt Bess says that what he most enjoys about Tri-M is that we "all get along especially when we eat snacks!" Tri-M allows the musicians of Battlefield to come together and have camaraderie within the music community in order to celebrate their love for music of all denominations.

*Allison Michelli*

The orchestra at Battlefield offers a diverse group of students a chance to express their talent through music. The orchestra consists of four classes: intermediate, concert, advanced and chamber. Students have to work together to play beautiful music. It doesn't matter whether you play the violin, viola, cello or bass; you're still a part of the orchestra and every single person is important.

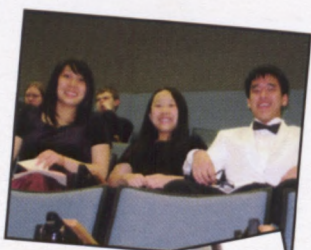

Alongside director Miss Kathy Thiele, you can expect nothing but the best. This year, a small ensemble played at Gravelly Elementary for their fall festival. Also, the Chamber ensemble preformed at DC for the National Association of Women Judges. The Advanced and Chamber orchestra performed at Disney World for the first time during spring break. One of the orchestra's annual fund raiser includes the Bridal Show. During festival, the two groups that preformed both received superior rating, which is the highest you can get. "My favorite part of teaching is finding the lost cord and making music," said Miss Thiele. The orchestra department gets bigger ever year--filled with students who all share the love of playing a stringed instrument and making beautiful music.

## Battlefield Chorus

"Breathe from your diaphragm," "Sit up straight," "Feet flat on the floor,"---these are the cardinal rules of chorus. It is not just a class where people sing. Chorus prepares students for the performance of a lifetime and instills in them skills they can utilize outside of rehearsal including teamwork, time management and sight reading.

Here, at Battlefield, the chorus department has developed into a respected and well known program headed up by Director Lynn Gregory. Consisting of six ensembles, ranging from non auditioned beginner classes to auditioned advanced classes, the BHS choir department is chock full of ripe talent. Many students were fortunate enough to have successfully auditioned and made it into honors choirs such as Virginia All State Choir, ACDA Virginia's Honor Choir, All District Chorus and All County Chorus. After midterms, the choirs rehearsed tirelessly in preparation for Festival. All that hard work paid off, though, when the choirs received superior ratings overall.

This year, BHS chorus traveled to Toronto, Canada where they took in the sights, saw "Jersey Boys" the musical, and made memories to last a lifetime. The theme concert held every year in the spring is determined by the seniors. This year's theme was "The Beatles". Family and friends were treated to classics like "Black Bird" and "Yellow Submarine". The 2009-2010 school year was one full of opportunities and adventures for Battlefield Chorus. Great job, Bobcats!

Battlefield's Bobcat Cafe has become a traditional staple of Friday mornings. Each week, during first block, students in Ms. Beth Klima-Dubois & Ms. Nicole Kellner's classes help prepare and deliver food (and, of course, COFFEE!) to the faculty and staff.

When asked about the idea behind and objectives of this student-run business, Ms. Klima-Dubois adds, "students in the Autism and Intellectually Disabled programs practice their functional math, reading, and social skills while preparing and selling baked goods to Battlefield's Faculty. Bobcat Cafe enables students to generalize and apply skills learned in the classroom to real life situations."

On behalf of the staff and faculty of Battlefield, thank you Bobcat Cafe for making our Fridays a little bit sweeter!

Mrs. Atkins and Mrs. Groppi are not just teachers to us - they are like mothers to us. They do a lot of things for us that other teachers won't do. They help us with our school work, scholarships and personal problems.

As for me, I see Mrs. Atkins as a God-saving person. She is a wonderful woman. She tells her students things that will help them in the future and motivates them to be better in life. She tells us that, even though many things in life are not easy, if she can do it, so can we.

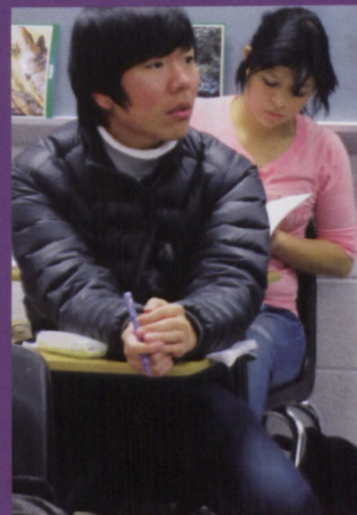

ESOL class is not just any class that people should overlook - it is a class that helps us build our knowledge. They work with us to help us do better in our regular classes and also work with us on our eleventh grade research papers. ESOL provides us with many opportunities that can be offered to students from scholarships to summer and night school.

Mrs. Atkins and Mrs. Groppi are the best and we really appreciate all they do for us!

Imagination. Though many others would assume it is just a small word, little explanation is needed when it comes to Creative Writing. This class is all about experience as these individuals experience different ways of writing and a better perspective on ideas of writing. Future authors? Maybe. Future teachers or professors? Possibly. Future of a greater and a more intelligent America for generations to come?

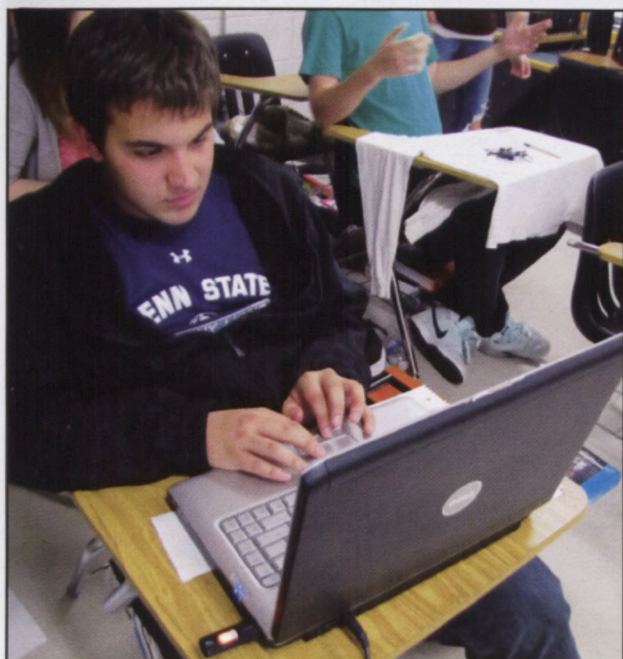

Absolutely. Creative writing provides ways to change how we look at things and shows a glimpse of what kids can be as writers. Creative Writing provides many other opportunities and as you get better at writing and become more creative, it could improve your speech and vocabulary which will help you get many different kinds of jobs in the future. Of all the authors, journalists and English teachers in the world - many got their start with a creative writing class.

# English\*

"While *thought* exists, **words** are *alive* and literature becomes an **escape**, not from, but into **living**."

Cyril Connolly

Above: Senior Kelly Reetz has always excelled in English and it is one of many her favorite subjects.

English is a subject that is forever used. From learning writing techniques, exploring literature, job interviews, getting ready for college—every aspect taught is used in life.

Starting freshman year, students learn the ways of the dreaded "CD COM COM". Progressing into sophomore year, they are introduced to strategies for getting a job and writing a mock research paper. Junior year is the most critical of all. It demands a critical approach to American Literature as well as writing the research paper and successfully passing the Writing and Reading SOLs. The final year in high school is of course senior year. Students read a variety of books, learn to connect different literature pieces together, and most important get ready for college by writing college essays and composing resumes. In the end you have you have four years of English you will always use.

Through the years, students have developed a better understanding for what English has in store. Ms. Beth Miller says, "Whether students love the study of literature or have an "allergy" to it, I love challenging them to make critical connections. Students find they are capable of amazing insights."

# Foreign Language

Here, at Battlefield, there is an abundance of foreign language classes offered that you can choose to take. Although Spanish is most popular because of its practicality in this day and age, Latin, French, and German are also available to students. If you are looking towards pursuing a medical career, learning Latin could be of great help, not to mention its benefits when taking the SAT! French and German are useful languages to learn if you plan on spending time in Europe. All of these classes can be helpful when looking for a future job, and all of them are enjoyable to learn!

# Let's Go Down In History

Here at Battlefield, students are provided with numerous history classes that give them a fun opportunity to learn about our country's past and how our government operates. Government helps seniors understand the importance of the election process and candidates, so that later they are able to vote. Senior Marissa Hasan says, "When I first started taking government I thought it was pointless, but now I see that it is vital in order to be an educated voter. Props to Mr. Jernigan." For the juniors, it was just another day in history as they learned about United States and Virginia history. Junior Tara Kinney says, "I enjoyed learning about the people who made history possible." As for the sophomores, they are taking AP European history or Geography. In World Geography, they take joy in learning about different regions and different cultures.

Finally, The freshman class takes world history, which is a course about numerous countries and their history.

Last year, Battlefield added two new courses to the history department—Sociology and Psychology. Students involved in these courses learn about the human brain and why humans interact with each other the way they do.

## She Said

"This is my first year in business class. It's a lot more extensive than I thought it would be. I thought it would be a class where I would just learn about writing lists to save money, but there's a lot more to it in terms of saving your money, investing and how to plan for the future, so it's a pretty awesome class."

# Business Marketing

Battlefield High School offers a variety of courses, but some of the school favorites include the classes in the Business and Marketing department. Here, you have the opportunity to learn about business marketing, word processing, child development and many other topics that are relevant to everyday life. Students work on many class projects and activities. The majority of these students also participate in clubs such as DECA and FBLA. Students taking these courses always have something going on and teach useful knowledge.

In Parenting, with Mrs. Homan, students get the chance to experience the "Empathy Belly" and the "Think It Over Baby". "I try to teach my students things that are useful and beneficial for when they leave high school," said Mrs. Homan. The students in the fashion class learn about fashion concepts and marketing skills. The fashion teacher, Mrs. Smith said, "My favorite part is when students create something out of anything but fabric."

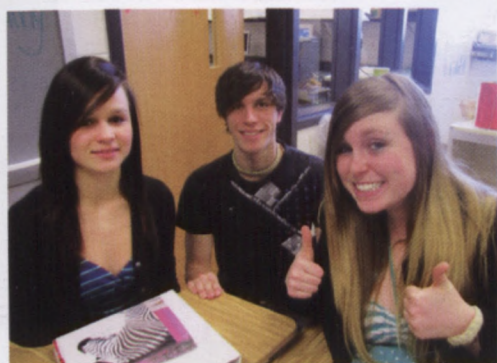

Ms. Wilkinson shows her students key marketing concepts. This course allows them to get an insight about the marketing world. Mrs. Adkins classes include Business Management, Personal Finance and Business Law. Some special activities she does with her students are the Stock Market Game and the Wall Street Ambassador Program. In classes with Mr. Proctor students can expect to learn the use of the Internet to capture and develop programming applications. This year his classes created and developed computer games. With all these classes anyone, can find one they will enjoy.

**Mrs. Amy Homan**

"Getting to know all the students, what interests them, and if they if they want to pursue fashion, and seeing DECA change their lives."

**Mrs. Jennifer Smith**

# Math

"Pure mathematics is, in its way,  
*the poetry of logical*  
**ideas."** - Albert Einstein

The study of math has been around for as long as mankind. It's used in science to calculate how far away planets are and even to use measurements in laboratory studies. We use math everyday whether we realize it or not. Simple basic things that we learn in the first grade like addition and subtraction take part of our lives daily. As Mrs. Stephanie Peischl says, "Even if you don't think you use math every day you do. Math gives you a logical way of thinking which can be used in everyday life." The math department at Battlefield High School is very prestigious with teachers who posses degrees from high ranking colleges, including Mrs. Tate Kenneally who won Teacher of The Year and The Washington Post Agnes Meyer Outstanding Teacher Award. It also conducts lessons that not only teach the curriculum, but also challenge the students to think from new perspectives. The math department at Battlefield High School is not "average" and most certainly earns a spot in the top ten.

This year, the Bobcats worked hard in their science classrooms. From solving grueling chemistry equations to conducting some pretty cool experiments, there was always something interesting and exciting going on.

The seniors, especially, were up to the challenge of solving difficult chemistry equations and doing anything related to physics. You have to admit, these classes are hard, and our Bobcats did a wonderful job succeeding.

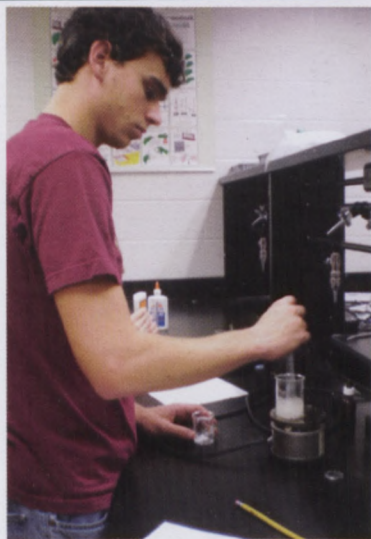

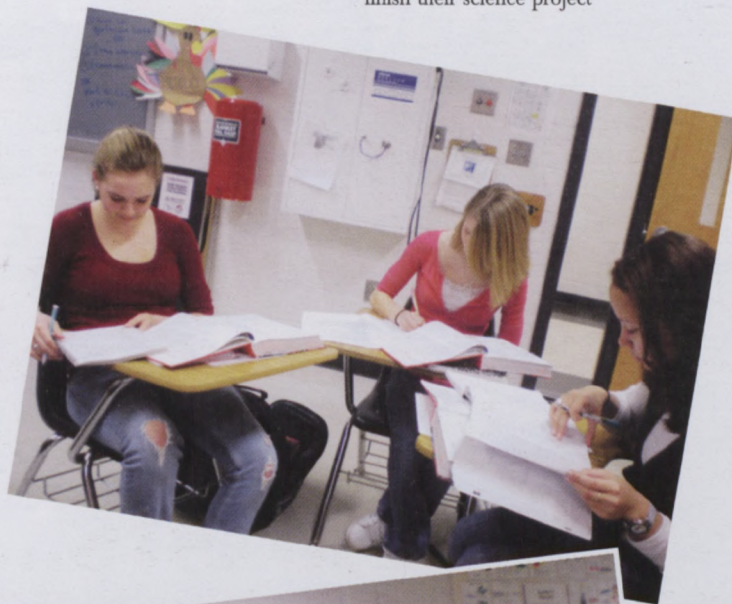

Chemistry classes conducted intriguing experiments—they made peanut brittle, silly putty, and slime. The science teachers made each class fun and interesting, but at the same time students did have some rough bumps along the way, but that didn't stop them from getting their work done.

ILITE Robotics (Inspiring Leaders in Technology and Engineering) is a key program here at Battlefield, lead by Ms. Drake. Robots of all shapes and sizes are designed, built, and programmed by the students to compete in many different competitions. ILITE Robotics travels to competitions around the country ranging from Washington, D.C. to Atlanta, GA. The FRC (FIRST Robotics Competition) robot, known as Lite-Strike, finished in the quarterfinals at this year's D.C. Regional. The smaller FTC (FIRST Technology Challenge) robots participated in multiple competitions around the area coming in 1st place multiple times, as well as winning a plethora of awards: Inspire, Think, Design, Innovate, Connect, and Motivate. ILITE Robotics attended the World Championship in Atlanta in April. In addition to the robots built by students, ILITE members reach out into their community by mentoring elementary school FIRST Lego League (FLL) teams. Furthermore, ILITE hosted an FLL tournament here at Battlefield, bringing nearly 100 elementary school students here to compete with their robots. Robotics is only the gateway to the technology world, these students will continue on to bigger and better things.

# A picture is worth a thousand words..

Everyone knows how to take pictures, but can you do it with passion and the excitement to click that one button that holds memories? Photography is magical; it can capture a still, perfect moment in time and save it forever. Senior Cassie Andoh says "Photography is being able to take pictures that express what you feel at the moment." This year, photography students got to set up their own studio and work like professionals. They got to work on certain topics and reveal their skills. "The recipe for a good picture is a background, a foreground, and nothing else," says senior Kat Thompson. Photography contests were held this year, which were open to all staff, faculty, and students. There was no limit on number of pictures and students got to share their talent school wide. Senior Vaughn Franklin says, "It's cool to take a picture of whatever you want and make it mean whatever you want".

# Weight Lifting

Above: Mike Osei, Erin Smith, Turner Meeks, Lindsey Casteel, Max Whitticar and Haley Bureson take a break from pumping iron.

Weightlifting consists of using all the muscles in the body to improve an athlete's technique and strength. Here at Battlefield, many of our Bobcat athletes take weightlifting as a class so they can stay in shape all year long. This class also teaches the students to have self respect, trust, self discipline and confidence. The students must also be able to trust their trainers and peers as they are challenged to above and beyond what they thought they could reach. Teachers Robert Mello and Mark Cox coach the students to have proper technique in order to gain muscle efficiently and keep everyone safe in the training room. Not only is weightlifting a popular choice because it keeps you looking good, but because of the friendships that are made together just by "getting big."

# Journalism

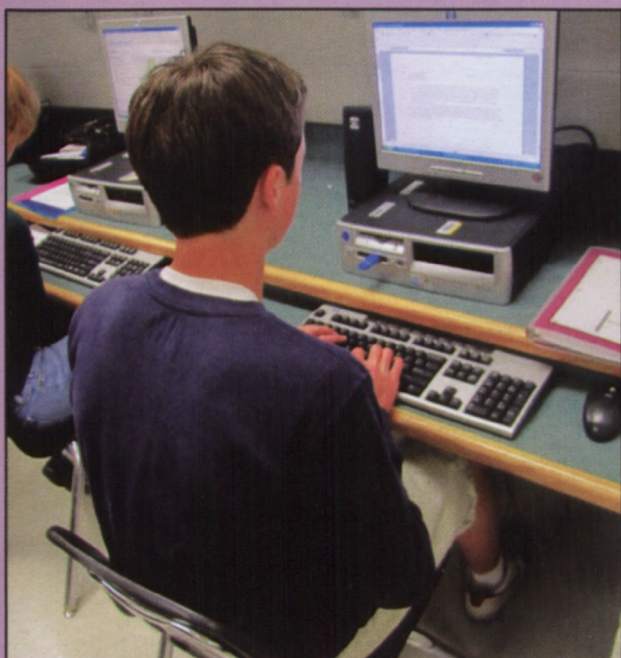

The thing that makes Journalism unique is that it contains many of the best writers, provides much interest in other individuals, and is inspirational to many readers. Ever wonder who writes newspapers? Journalists have everything to do with it, clearly showing that they have a huge role in the community, just as Sarah Kennedy says, "I love seeing my name in the paper."

The journalism students here at Battlefield can clearly become an inspiration to other individuals across the nation, with the help of their inspirational teacher, Mr. Cook. America needs these students to make a difference for our future.

# Yearbook

From the first day of school until the last, the yearbook staff worked hard to bring you this book. It took countless hours, during school and after. The yearbook staff dedicated themselves to make the best book possible, that's why it's in all color! The editors, seniors Carly Glenn and Hannah Yelinek and teacher Ms. Hackett, had the hardest jobs of all. They not only created spreads, but also checked and proofed everyone else's. Without this class, there wouldn't be a way to put our wonderful BHS memories down on paper. Although the staff changes every year, they all have the same goal, making a great book for you to enjoy.

# Our Final Goodbye

The time has come, Class of 2010! We're on our own. We can finally say goodbye to high school. No more tardies, Saturday schools, or waiting three seconds after the bell is supposed to ring. Say "Goodbye" to school lunches, the attendance office, security, and over crowded halls. All we have now are memories. Remember our first year waking through the halls, not knowing what to expect? Now we'll stride down the halls for our last time, remembering the football games, spirit weeks, pep rallies and homecomings. Meeting up with your friends in between classes will just be memories. We had a lot of laughs, jokes, cliques, friends, good times, bad times and drama, but it is time to leave being a high school teenager to become an adult. We will be missed by friends, teachers and our administrators. We're off to face the world now. Although we're going separate ways and splitting apart, we will still look back at our days at Battlefield. And, no matter what, even years from now, we will still be connected together as the

### *Oh, the Places You'll Go!* Dr. Seuss

Congratulations! Today is your day. You're off to great places! You're off and away. You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the guy who'll decide where to go. You won't lag behind, because you'll have the speed. You'll pass the whole gang and you'll soon take the lead. Wherever you fly, you'll be best of the best, you will top all the rest. Except when you *don't*. Because sometimes you *won't*. I'm sorry to say so but, sadly, it's true that Bang-ups and Hang-ups *can* happen to you. You'll get mixed up of course, as you already know. You'll get mixed up with many strange birds as you go. So be sure when you step. Step with care and great tact and remember that Life's a Great Balancing Act. And will you succeed? Yes! You will, indeed! (98 and 3/4 percent guaranteed.) KID YOU'LL MOVE MOUNTAINS! So. . . be yourname Buxbaum or Bixby or Bray or Mordecia Ali Van Allen O'Shea, you're off to Great Places! Today is your day! Your mountain is waiting. So. . . *get on your way!*

# *perfect* Goodbye...

## *community*

The following pages are filled with memories shared by the Class of 2010 that have shaped their lives – dedications to the people, places and events that have made the last four years so memorable. Here, we are giving those special people - the parents, grandparents, siblings and friends - the opportunity to wish them farewell from this chapter of their life and good luck on the upcoming journey upon which they are about to embark.

Whether our seniors are choosing to pursue their dreams, further their studies or go into the work force, we wish them all the best in making the most of their lives. Our desire is that these young adults become the perfect person they once dreamed of becoming. Our wish for the Class of 2010 is to follow their true passions in life and achieve what they have always dreamed of. It will be hard to say goodbye to the friends known since elementary school as your paths in life finally divide and although your days together and times at Battlefield will only be a memory, the legacy that the Class of 2010 has left behind will always live.

The Class of 2010 is truly made up of students who, as a whole, make **The Perfect 10**. Congratulations once and for all to the Class of 2010. The decision of how your life plays out is now up to you, but remember, *never settle for less than your own sense of perfection.*

You Can If You Think You Can!

*If you think you are beaten, you are,  
If you think you dare not, you don't.  
If you like to win, but you think you can't,  
It is almost a cinch you won't.  
If you think you'll lose, you're lost,  
For out in the world you'll find,  
Success begins with a fellow's will.  
It's all in the state of mind.  
If you think you are outclassed, you are,  
You've got to think high to rise,  
You've got to be sure of yourself before  
You can ever win a prize.  
Life's battles don't always go  
To the stronger or faster man.  
But soon or late the man who wins,  
Is the man who thinks he can.*

## Thomas V. Farewell, IV

Where did the time go, it seems like just a few years ago you were pretending to be a dinosaur, drawing pictures for the fridge, and watching the Magic School Bus. Although we miss that little boy we love the intelligent and talented young man that you have turned out to be. We are very proud of you and all that you have accomplished. You have created many special memories for all of us which we will cherish for the rest of our lives. We are so blessed to have you as a son and brother and we wish you success in all that you do.

As you move forward, take time to enjoy life, strive to reach your goals, keep your family and traditions close, and God in your heart to guide you. We will be right there beside you!

We love you,

*"It is not the critic who counts: not the man who points out how the strong man stumbles or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly, who errs and comes up short again and again, because there is no effort without error or shortcoming, but who knows the great enthusiasms, the great devotions, who spends himself for a worthy cause; who, at the best, knows, in the end, the triumph of high achievement, and who, at the worst, if he fails, at least he fails while daring greatly, so that his place shall never be with those cold and timid souls who knew neither victory nor defeat."*

## Meagan Ramsey

CONGRATULATIONS to our beautiful daughter on her high school graduation! We would like to say thank-you for being such a wonderful blessing in our lives. When you came into this world 18 years ago, we knew that you were destined to be something truly great. It has been the best experience in our lives to raise you and watch you grow into such a strong, confident, amazingly smart, beautiful young woman. We know the military life has not been an easy road for you with the many moves we have had over the years. Yet, you have showed such great strength, poise, determination and adaptability to make the best out of anywhere you go or anything you do. I know you will succeed in whatever you choose to do with your life. You make friends easily and have traveled the world leaving a trail of hearts you have touched, so we know you can handle whatever life throws at you. **WE ARE SO PROUD OF YOU!**

Mike,  
It's hard to believe the little boy who wanted to go out in the snow with no gloves, couldn't stand when his older sister scored a goal before him in their soccer game and who was Barney and Friends' biggest fan has grown into a terrific, young man. You are not only special in our eyes, but Grandma would be so happy to see you buckle that seat belt and make trips to McDonald's with Dan and Amanda now-a-days. Granddad will always have your bedroom available fair week. Congratulations on your graduation and we all know you will continue making us proud.

Hunter,

As we share with you these heartfelt words of emotion, it is with much long and sincere respect that we anticipate your future to be filled with prosperity and guided by the principles of faith and integrity, and we pray that you shall demonstrate upon every opportunity an undaunted courage in reaching beyond the ideals of triviality and mediocrity.

We have watched you grow from the mischievous adventures of childhood into a generous and unpretentious young man with high moral values and exceptional standards. In you our pride abounds and with humble admiration we congratulate you on your many accomplishments.

May your petitions be just and your decisions be found with favor amongst those who follow you as well as those of whom you might serve. Above all else may God bless you and watch over you in all ways.

## *From the Editors of The 2009-2010 Lynx...*

As Editors for the 2009-2010 yearbook, we would like to thank all of the staff and students for helping us make this happen. Most importantly to Ms. Hackett. Throughout this experience, you have become our best friend. We will never be able to give you enough "thank yous." Without you this book would not exist. We are very honored to have been in charge of capturing such important memories. We hope that you all enjoy the book that we have put so much time and effort into. It is impossible to try to sum up the experiences and moments that have taken place to make this book possible. Whether it be staying until 6:30pm on the day of Spring Break, or spending hours in our "cave" listening to Celine Dion, we would not change any of our chaotic moments that, to anyone else, may seem like imperfections. For if there is one thing to take away from this book it is that it is truly our imperfections that make us **"The Perfect 10."**

Red hair, answered prayer, athletic and  
fun,  
But most of all, God's gift to me is you!*

*We love you, Mom and Dad*

Annie,  
I'm so proud of you. I'm proud of the person you are, and the woman you are becoming. I'm proud you've made it into a college where you can ball! Thank you for all that you are to me and even though college separates us from being one room apart, I'm only one phone call away. I love you more than you could ever imagine and I'm always here for you.

Love your #1 fan and big bro, Reece (Joshua 1:9)

The 2010 Lynx, Volume 6, with the theme "The Perfect 10", was published by a 31 member staff. The book was printed by Herff Jones in Gettysburg, Pa. Lisa Heiser represented the publisher.

Victor O'Neill Studios in Falls Church, Va., took all of the individual and most of the sport photos. A very special thanks goes out to Mr. Jatib for providing us with many other fantastic sports photos!

We, the staff of the 2009-2010 Lynx greatly appreciate all of the support of the administration, faculty and student body of Battlefield High School. Without you, this book would not have been possible!

A very special thanks to the following people:

Mrs. Amy Ethridge-Conti  
Mrs. Lisa Heiser  
Mr. Carl Binstead  
Mrs. Maria McDonald  
Mrs. Julie Graves and the BHS English Department  
Mr. Jorge Jatib

# 1<sup>ST</sup> 100 DAYS

**ONCE INAUGURATED**, President Barack Obama got down to business, signing executive orders banning harsh interrogation techniques of suspected terrorists on his second day in office. The ban was Obama's first step toward closing the prisons at Guantanamo Bay. **ONE WEEK LATER**, the president signed a labor act guaranteeing equal pay for all workers. Regarding the act, Obama explained that he saw the inequality as a family issue, not just a women's issue. **ATTENTION TO THE ECONOMY** brought the \$787 billion economic stimulus package in the form of February's American Recovery

and Reinvestment Act, controversial legislation which the administration claimed sparked growth as early as the third quarter.

**A TOTAL TROOP WITHDRAWAL** from Iraq by the end of 2011 was announced on February 27, and just a month later Obama announced a renewed commitment to Afghanistan and plans to send an additional 21,000 new troops there. **LONDON'S G-20 SUMMIT** allowed leaders from nations worldwide, as well as regional groups and international institutions, to strategize ways to revive the global economy and stimulate growth.

**SOMALI PIRATES** hijacked an American ship in the Indian Ocean off the Horn of Africa and took Captain Richard Phillips hostage in April. The ship, the Maersk Alabama, was carrying food and other aid supplies for the World Food Program. The five-day ordeal ended when U.S. Navy SEAL snipers killed three pirates, freeing Phillips.

**BEA ARTHUR**, two-time Emmy award winner, died of cancer at 86. Probably best known for her *Golden Girls* character Dorothy Zbornak, Arthur began her acting career on Broadway, winning a Tony in the original stage production of *Mame*.

**A 50 TO 1 LONGSHOT** won the 135th Kentucky Derby. Jockey Calvin Borel and Mine That Bird came from behind on a muddy track to win the race by nearly seven lengths.

**VOCALIST SUSAN BOYLE** became an overnight sensation on *Britain's Got Talent*. Her performance quickly became one of the most watched videos on YouTube. Despite a second-place finish in the competition, Boyle's first album, *I Dreamed a Dream*, became the biggest-selling album in the world for 2009 in just six weeks. **NORTH CAROLINA'S TARHEELS** beat Michigan State 89-72 in the men's Final Four, avenging a title game loss to Kansas the previous season. With the help of upperclassmen Tyler Hansbrough, Wayne Ellington, Ty Lawson and Danny Green, all of whom opted to return for another year with coach Roy Williams rather than heading to the NBA, the Tarheels cruised to their fifth national title and their second in five years. A unanimous pre-season No. 1, the team was UNC's first since 1982 to start and finish the year in the nation's top spot.

**CONFICKER WORM**, a computer virus that targeted the Microsoft Windows operating system, was estimated to have infected more than 15 million computers. It was believed to be the worst computer virus since the SQL slammer worm in 2003. In February 2009, Microsoft offered a \$250,000 reward for help with finding and arresting the people who created the computer worm.

**31** Nearly 40 unemployed New Yorkers took part in the Unemployment Olympics, a day of fun and games in Manhattan's East Village planned by a recently laid-off computer software worker.

**7** The Connecticut women's basketball team won its sixth national title, defeating Louisville 76-54 in a St. Louis Final Four tagged "March to the Arch."

**12** Argentinian golfer Ángel Cabrera won the Masters at 12 under par after a three-way playoff against Americans Chad Campbell and Kenny Perry.

**23** Apple's iTunes App Store knew in advance that some lucky buyer would download the company's one billionth app on this date and they offered prizes galore.

**24** The World Health Organization expressed concern at the spread of the H1N1 influenza from Mexico and the United States to other countries.

**30** Supreme Court Justice David H. Souter announced his term-end retirement. A former attorney general from New Hampshire, Souter was appointed in 1990 by President George H.W. Bush.

**20** Arkansas singer/songwriter Kris Allen, 23, won the eighth season of *American Idol*.

22

After five seasons on TLC, the Gosselins of *Jon and Kate Plus Eight* announced divorce plans. The pair, plus their twins and sextuplets, attracted nearly 10 million viewers.

**24** Mark Sanford, South Carolina's governor, admitted to his affair with a woman in Buenos Aires. He resigned as chair of the Republican Governors Association.

3

Citing the desire to spend more time with her family and no interest in running for re-election, Alaska Governor Sarah Palin stepped down, transferring power to Lt. Governor Sean Parnell.

**5** Roger Federer broke Pete Sampras' 14 Grand-Slam record, beating American Andy Roddick to win the men's title at Wimbledon for the sixth time.

**21** Shweeb, the world's first human-powered monorail, attracted attention in New Zealand. Pedalled like a recumbent bike, the system created zero emissions.

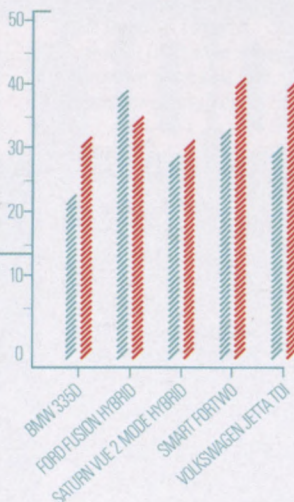

**22** The longest total solar eclipse of the 21st century was visible off the coast of Southeast Asia for six hours and 39 minutes. It'll be 2132 before that happens again.

\*ACCORDING TO GREEN CAR JOURNAL'S "TOP 5 FOR 2009"

**BERNIE MADOFF** was sentenced to 150 years in prison for the multibillion-dollar Ponzi scheme he perpetrated as a wealth management advisor. He pleaded guilty to 11 felonies, including securities fraud, money laundering, perjury, making false filings with the SEC and theft from an employee benefit plan. In addition to his imprisonment, the former chair of the NASDAQ stock market was ordered to forfeit \$170 billion. **U.S. WITHDRAWAL FROM IRAQ** was celebrated as a national holiday when Prime Minister Nouri al-Maliki declared June 30 "National Sovereignty Day." In accordance with agreements with Iraq, American troops completed their withdrawal from Iraqi cities and transferred the responsibility of securing the cities to Iraqi troops. **IRANIAN ELECTION PROTESTS** lasted months and resulted in at least 36 confirmed deaths after it was announced that President Mahmoud Ahmadinejad had won re-election with nearly 63% of the vote. Results were later certified and Ahmadinejad was sworn in for a second term in office on August 5. **SERENA WILLIAMS** beat her sister, Venus, in the final match at Wimbledon to win her third Grand Slam victory of the year. Then the sisters paired to beat Aussies Samantha Stosur and Rennae Stubbs, winning the doubles title the same day. **HULU**, a free app that allowed viewers to watch television shows on the web, gained traction. Some studies showed as many as 45% of all teens watched "TV" on the internet. **AL FRANKEN**, a former Saturday Night Live comedian and satirist, finally won his seat in the Senate after the Minnesota Supreme Court rejected incumbent Norm Coleman's myriad challenges. The final recount gave Franken the victory by 312 votes. **NBA CHAMPION L.A. LAKERS** won their 15th title on June 14, defeating the Orlando Magic 99-86 to clinch the title in just five games. Lakers star Kobe Bryant was named M.V.P. after scoring 30 points in the final game and 162 in the series.

## HOW TO MOONWALK

IN FIVE EASY STEPS

1 Begin with your feet parallel. 2 Raise your left heel so that you're standing on the ball of your left foot. 3 Slide your right foot back with your weight on the ball of your left foot. 4 Switch so that your weight is on the ball of your right foot. 5 Slide your left foot back and repeat.

# 1958 2009

**THE BREAKING NEWS** of Michael Jackson's cardiac arrest and sudden death on June 25 dominated the internet causing unprecedented spikes in traffic and overwhelming social networks such as Facebook and Twitter. **TOPPING THE CHARTS** with 17 No. 1 hits (including four as a member of the Jackson 5), Jackson's 1982 *Thriller* remained the best-selling album ever. In the two weeks following his death, buyers snapped up another 2.3 million Jackson albums. In all, his world sales of more than 750 million records made him one of the best-selling recording artists ever.

**JACKSON IS CREDITED** with elevating the music video into an art form. His videos for "Billie Jean," "Beat It" and "Thriller" brought a strong crossover following to MTV. He popularized the moonwalk and the robot and influenced generations of dancers. **KNOWN AS THE KING OF POP**, Jackson was inducted into the Rock and Roll Hall of Fame both as a Jackson and as a solo artist. **FINAL GOODBYES** were televised from L.A.'s Staples Center where Stevie Wonder, Lionel Richie, Mariah Carey, John Mayer, Jennifer Hudson and Usher performed at his memorial service as millions worldwide watched.

At a ceremony marking the 64th anniversary of the Hiroshima and Nagasaki atomic bombings, Mayor of Hiroshima Tadatashi Akiba supported U.S. President Barack Obama's call for the abolition of nuclear weapons.

6

Crews recovered all nine bodies after a small plane and a tour helicopter collided over the Hudson River in New York, sending both crafts spiraling from the clear, blue sky.

8

Two newly discovered works by Mozart – a prelude and a concerto movement – were performed in Salzburg, Austria, Mozart's birthplace.

2

Thousands of people worshipped a baby born with four arms and four legs in Nepal, revering him as the reincarnation of Ganesh.

The Pirate Bay

The district court in Stockholm ordered BitTorrent tracker The Pirate Bay's largest ISP, Black Internet, to stop serving the web site in its continued effort to shut down the number one BitTorrent tracker.

24

Jason Mraz's "I'm Yours" became the longest-running single in the Billboard Hot 100's history at 71 weeks, and tallied another five weeks.

31

The Congressional Budget Office predicted the United States budget deficit for 2009 will reach \$1.6 trillion, the highest ever recorded.

25

Reading Rainbow, the third longest-running children's show on United States public-service television network PBS, ended its 26-year run.

28

**U.S. JOURNALISTS FREED** following nearly five months of detainment in North Korea were escorted home by former president Bill Clinton after he met with North Korean Dictator Kim Jong Il. Laura Ling and Euna Lee, reporters for Current TV, a media venture owned by Al Gore, had been charged with entering the country illegally to conduct a smear campaign. **KILLER WHALE RESEARCH** identified new behavior in large groups of orcas. A Journal of Ethology report cited groups of whales gathering in British Columbia, Alaska, Iceland and Antarctica to form "clubs."

While whales often live in pods of 10-20, scientists say the newly observed clubs of as many as 100 seem to allow the whales to form and maintain social ties. **SENATOR TED KENNEDY** of Massachusetts, the last surviving Kennedy brother, died at age 77 after battling brain cancer. In his 46 years as a senator, Kennedy championed labor, health care, civil rights, education and voting rights. President Barack Obama delivered the eulogy at Kennedy's August 29 funeral in Boston. In addition to the family, Vice President Joe Biden, Secretary of State Hillary Clinton, former Presidents

Bill Clinton, George W. Bush and Jimmy Carter, and First Lady Michelle Obama also attended. Kennedy was buried at Arlington National Cemetery next to his brothers, President John F. Kennedy and Senator Robert F. Kennedy. **A WEB ATTACK** targeted at a specific pro-Georgian blogger incapacitated Twitter for two hours on August 6. Twitter and other social networks like Facebook and LiveJournal were overwhelmed by denial-of-service attacks disrupting access to more than 300 million users. Botnets – thousands of infected home and workplace PCs – flooded the web with nuisance requests, cutting off access to anyone else. Twitter, the micro-blogging site where users post 140-character messages to their followers – soared in popularity in 2009. According to comScore, a Web tracking firm, the site had 44 million unique visitors in the month of June.

**SUPREME COURT JUSTICE** Sonia Sotomayor was confirmed by the Senate as Associate Justice of the U.S. Supreme Court, replacing David Souter who retired in June. Sotomayor, who rose from the housing projects of the Bronx to the top of the legal profession by way of Princeton and Yale Law, made history as the nation's third female and first Hispanic Supreme Court justice.

# FLUSHOTS

**FLU SHOT CLINICS** were set up in workplaces and schools from coast to coast as the government and the CDC suggested that as many people as possible be vaccinated against the H1N1 virus that led to hundreds of school closings in the spring of 2009. **AN EARLY START** to the flu season meant victims were affected in higher numbers and more extremely than usual, and that the flu's peak activity came in late October and early November rather than March. Until the vaccine arrived, anyone with H1N1's potential respiratory symptoms was encouraged to stay home rather than infecting classmates or

co-workers. **IN OCTOBER**, the vaccine began arriving in both injected and nasal spray forms. Within four months, 97 million H1N1 vaccine doses had been given to 86 million people in the United States. **TRULY PANDEMIC**, the H1N1 influenza infected approximately 57 million Americans or slightly more than 18 percent of the population between April 2009 and February 2010. About 11,690 people died and nearly 260,000 were hospitalized from the viral infection, which was also known as swine flu. **THE THREAT** of an additional outbreak loomed as the annual flu season waned.

# ECONOMIC WOES

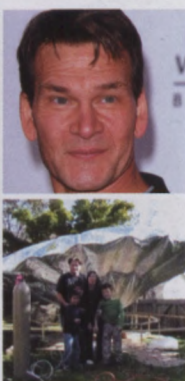

**JOB MARKET DETERIORATION** continued, despite some tentative indications that the economy was improving. The federal unemployment rate peaked at 10.1% in October, but the economy continued to shed jobs at the rate of more than 263,000 a month. Data showed a loss of 8.4 million jobs since the recession's start in December 2007. **THE UNDER-EMPLOYMENT RATE** of workers whose hours had been cut or who were working part-time for lack of full-time positions hit 17% — the highest

since they began tracking the category in 1994. **FORECLOSURE FILINGS** in the third quarter hit a record high. Despite government-led and lender-supported relief efforts, nearly a million U.S. homes — 1 in every 136 nationwide — were in foreclosure by October. **FEDERAL RESERVE CHAIRMAN** Ben Bernanke announced September 15 that the recession had "very likely ended" while warning that it may not quickly affect the unemployment rate.

**MTV'S 2009 VIDEO MUSIC AWARDS** were going to be different from the start. In addition to recognizing current work, anticipation of a Michael Jackson tribute ran high. Instead, Kanye West literally stole the show, grabbing the mic during 20-year-old country/pop star Taylor Swift's Best Female Video acceptance speech for a quick rant about Beyonce Knowles being more deserving. Swift went on to win the Grammy for Album of the Year for her second album, *Fearless*. **ACTOR PATRICK SWAYZE** died at age 57, after suffering from pancreatic cancer for nearly two years. Of his more than 30 movies, he was best-known for his roles as romantic leading men in the films *Dirty Dancing* and *Ghost*. **A GIANT MYLAR BALLOON** took off from a family's yard in northern Colorado, and nationwide panic erupted when it was reported that the six-year-old son might be aboard the 20-foot-long, saucer-shaped helium flyer. A runway at the Denver airport was shut down and search and rescue crews scoured the area below the craft's 50-mile flight path for the child, who was later found hiding in the garage. Subsequent interviews revealed that the event had been planned. The couple was billed for search services and both parents were sentenced to jail time. **THE WORLD'S TALLEST BUILDING**, the Burj Khalifa in Dubai, U.A.E. was completed on October 1 and opened on January 5, 2010. Named after the leader of neighboring oil-rich Abu Dhabi, which contributed billions of dollars to keep Dubai afloat, the building housed a hotel, offices and luxury apartments. At 2,717 feet, the tower with a public observation deck on the 124th floor was the tallest man-made structure ever built. **"BEATLES DAY"** was celebrated worldwide on 09/09/09 when re-mastered versions of The Beatles' albums were released, on the same day the video game The Beatles: Rock Band was released. In the major music markets of North America, Japan and the UK, consumers purchased more than 2.25 million copies of re-mastered albums in the first five days of release. In addition, more than half a million Rock Band units sold during the game's first month of release. Incorporating many of the gameplay features of the Rock Band series, the game included 45 songs by the popular British rock group.

**A YANKEES WORLD SERIES WIN** gave the team its 27th championship with a 7-3 victory over the Phillies in Game 6. Hideki Matsui, the first Japanese-born player to be named a Series M.V.P., led the Yankees' offense with six runs batted in off a homer, a single and a double. The last Yankees' title was in 2000. **THE FIRST STATE DINNER** hosted by President and Mrs. Obama toasted a growing U.S. friendship with India with an evening of regal pageantry on the White House South Lawn on November 24. Visiting Indian Prime Minister Manmohan Singh and his wife Gursharan Kaur were honored guests alongside 300 others. A tradition dating back to 1874, state dinners were the most treasured and formal honor a U.S. president could offer a foreign dignitary, and the most coveted invitation in Washington. Unbeknownst to the Obamas and to the Secret Service, a Virginia couple, Tareq and Michaela Salehi, entered the dinner without an invitation, bypassing all security checkpoints. **SHOOTINGS AT FORT HOOD** killed 13 and injured 30 on November 5. Major Nidal Malik Hasan opened fire on fellow soldiers at the Fort Hood U.S. Army base in Texas; some reports suggested he was unhappy about an upcoming deployment.

**NASCAR'S LONGEST STREAK** of consecutive series championships belonged to Jimmie Johnson, who surpassed Cale Yarbrough when he clinched his fourth title in a row, winning seven races in back-to-back seasons. **OPRAH'S PLANS** to retire when her current contract expires were announced nearly two years in advance of her final show. Media mogul/talk show host/philanthropist Oprah Winfrey said she will end her daily talk show in 2011. The show, which attracted more than seven million viewers a day, had been on the air since 1984. **SIGNS OF WATER ON THE MOON** were confirmed without question in November when a satellite intentionally crashed into a crater near the moon's South Pole. Using a two-part satellite, scientists said they created a collision, then measured the debris it created. The discovery was good news for explorers who wanted to set up labs on the lunar surface and to the scientists who hoped that the water, in the form of ancient ice, would reveal information about the history of the solar system.

## HEALTHCARE

**HEALTH CARE REFORM** was a priority for President Obama and the Democratic leaders of Congress. In November, they came close to creating a comprehensive system of national health insurance when the House approved an overhaul of the system, 220 votes to 215. **MAX BAUCUS**, Senate Finance Committee chairman, had presented a plan that included many new insurance industry regulations but no government-run health care. The Democrat from Montana believed his bill could bring together Republicans and Democrats for an ambitious overhaul of health care. **TEA PARTY**

**PROTESTS** sprung up from coast to coast, providing a platform for citizens wishing to speak their discontent. While groups of those who felt they could no longer sit still and quietly observe governmental changes that made them uncomfortable took on many traits, the newly empowered activists worked to be visible in many parts of the country. **SENATE VOTES** in November were followed by the Senate's approval of an \$871 billion bill in December. While the two Congressional branches worked to reconcile their bills, it became apparent agreement was not imminent; the debate would continue for months.

# HAITIAN EARTHQUAKE

**DEATH AND DESTRUCTION** were apparent immediately following the temblor which struck near Port-au-Prince, the capital city of Haiti. While fatality estimates topped 200,000, officials conceded that the burial of uncounted corpses would prohibit an exact tally. The quake, which was "felt strongly" in Cuba more than 200 miles away, damaged thousands of homes, including the president's residence. **BUSH/CLINTON HAITI RELIEF FUND**, designed to demonstrate American unity, raised more than \$17 million in under two weeks. In the month following the quake, American

charities sent more than \$790 million in charitable aid. **WYCLEF JEAN, GEORGE CLOONEY & FRIENDS** hosted concerts in New York, Los Angeles and London to raise funds for earthquake victims. Called "Hope for Haiti Now: A Global Benefit for Earthquake Relief," the January 22 concerts included performances by Bruce Springsteen, Madonna, Mary J. Blige, Taylor Swift, Justin Timberlake, Coldplay and Bono. In addition, a remake of the 25-year-old anthem "We Are the World," featuring more than 70 big names representing all genres of music, was recorded to benefit Haitian aid groups.

**JAMES CAMERON'S AVATAR** broke all kinds of records en route to becoming the highest grossing film of all time. Development of the science fiction epic spanned 15 years, partially because Cameron had previously determined that the necessary technology was not yet available to portray his visions for the film. Released for both traditional two-dimension projection and 3-D, *Avatar* was also the first film ever to gross \$2 billion, and it was nominated for nine Academy Awards, including Best Picture and Best Director. **TIGER WOODS** was named the Associated Press Athlete of the Decade in December. Despite a personal scandal that led to an indefinite break from professional golf, he collected nearly as many votes as runners-up Lance Armstrong and Roger Federer combined. Woods won 64 tournaments including 12 majors and earned more than \$81 million during the decade. **A TERRORIST ATTACK** on a December 25 Northwest Airlines flight from Amsterdam to Detroit was thwarted after a student with suspected al-Qaida ties attempted to ignite explosives in flight. **FIFA WORLD CUP SOCCER** tickets went on sale globally, adding more than 1 million new seats to those nearly 700,000 tickets already sold for the June/July soccer matches in South Africa. **CONAN O'BRIEN** left NBC and *The Tonight Show* on January 22, just eight months after he took the reins from Jay Leno. Despite ongoing unsuccessful negotiations with the network, O'Brien planned a busy last week hosting Robin Williams, Barry Manilow, Tom Hanks and Will Ferrell, and he took to the stage playing 70s rock anthem "Free Bird" with the band during the closing credits of his final show. **THE U.S. HEALTH CARE REFORM BILL** passed by the Senate on December 24 was expected to extend insurance coverage to 30 million additional Americans. Following the January 27 State of the Union Address where Obama vowed not to "walk away from" his drive for health insurance reform, additional modifications were made to the White House's proposed health care plan in preparation for a February 25 televised bipartisan health care summit. The six-hour summit was covered on C-SPAN and was the day's news focus.

**1** President Obama announced he will send 30,000 American troops to Afghanistan within the next six months and begin withdrawal in 19 months.

**4** More than 50 people were killed or injured when two ferries collided on the Nile River near Rashid, Egypt.

**14** Researchers reported that the Veined Octopus retrieves coconut shell halves and uses them for protection, becoming the first known invertebrates recorded to use tools.

**15** Boeing's fuel-efficient 787 'Dreamliner,' a widebody passenger airliner made its maiden flight from Paine Field to Boeing Field in Washington state.

**31** A blue moon and partial lunar eclipse occurred. Both were rare on New Year's Eve.

## SNOW BLANKETED THE NATION

encompassing all 50 states on February 13 after a dusting on the Florida panhandle. Hawaii did not receive new snow, but had a base at the peaks of the state's highest volcanoes. Record snowfall affected many parts of the country this winter, from the Midwest where 50-year-old records for most days with 4" or more of snow cover were smashed by more than five weeks, to the mid-Atlantic states where record snowfalls from December to February broke 100-year-old seasonal snowfall records the first week in February.

## BEYONCÉ WON SIX GRAMMYS

including Song of the Year for "Single Ladies (Put a Ring on It)," and became the first woman to win six awards in the same night. Only Michael Jackson (1984) and Carlos Santana (2000) had won more awards in a single year. **APPLE'S IPAD RELEASED** on January 27 to mixed reviews. The new "digital tablet" brings Apple's sleek design and functionality to the masses for an affordable price. Weighing just 1.5 pounds, the iPad is lighter than a laptop, but users will be able to browse the web, access email, watch movies, read books and more. In addition, Apple created 12 innovative new apps for the iPad, which will also run almost all of the more than 140,000 apps available in the App Store.

## BRITAIN'S UFO FILES

made public to civilians in January, totalled more than 6,000 pages detailing sightings from 1994 - 2000. The fifth (and largest) release ever was intended to make access available to a wider audience.

**MOBILE CARRIERS JOIN FORCES** to rival Apple's App Store. AT&T, China Mobile, China Unicom, Sprint and Verizon were among the first companies to unite, creating a centralized location for apps for a variety of mobile devices possible because of cross-platform development. The Wholesale Applications Community will represent more than three billion customers worldwide.

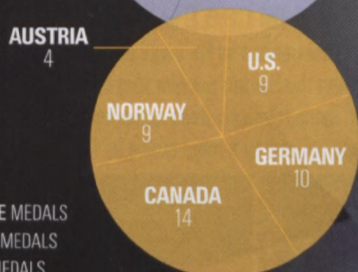

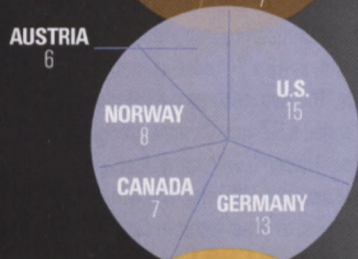

**OLYMPIC SKIER BODE MILLER** won three more medals at the 2010 Winter Olympics (super combined gold, Super G silver and downhill bronze) bringing the four-time World Champion's record Olympic tally to five.

**SUPER BOWL XLIV**, the most-watched Super Bowl and the most-viewed program in television history, saw the New Orleans Saints defeat Peyton Manning and the Indianapolis Colts, 31-17. The Saints, who became just the fourth team ever to win in their first Super Bowl appearance, won with a key defensive play on an interception by defensive back Tracy Porter, and a nearly perfect offensive game by QB Drew Brees.

Nearly 2,650 athletes from 82 nations competed in 15 sports and 89 separate medal events. **SPEEDSKATER APOLO ANTON OHNO** added three new medals to his previous five Olympic medals from Salt Lake City and Turin. Ohno broke

Bonnie Blair's record, becoming the most decorated American Winter Olympian ever. **TWO-TIME WORLD CUP CHAMPION LINDSEY VONN** became the first American female to win Olympic downhill gold. Vonn skied all five of her scheduled events with a bruised shin, medaling in two. **SNOWBOARDER SHAUN WHITE** defended his Olympic gold in the halfpipe with a first run so strong he secured his victory. In a celebratory second run, he debuted a Double McTwist 1260 (which he named The Tomahawk). The new trick contributed to a record score of 48.4, increasing his margin of victory by 1.6 points.

**TILIKUM THE ORCA** was not in the pool when SeaWorld Orlando's show, *Believe: The Sensational Shamu Show*, reopened just three days after the six-ton orca attacked and drowned veteran trainer Dawn Brancheau on February 24. The show featured trainers using hand signals to instruct the whales to leap, twirl and wave to or splash the audience. **AN OVERTIME VICTORY** in hockey gave Canada the Olympic gold the host nation craved on the last day of Winter Games. The 3-2 win over Team U.S.A. came 7:40 into the extra period when 22-year-old Sidney Crosby sent goalie Ryan Miller a surprise wrist shot. Miller was the series M.V.P. and Crosby, a native of Nova Scotia, became the youngest ever captain of a Stanley Cup-winning team in 2009, when his Pittsburgh Penguins beat the Detroit Red Wings four games to three. **CANADA'S JOANNIE ROCHETTE** captured viewers' hearts, competing in women's figure skating after her mother succumbed to a heart attack in Vancouver just days before. The 24-year-old from Quebec took bronze and became one of the most personal stories of the Vancouver Games. Korea's Yu-Na Kim became her country's first-ever Olympic figure skating medalist when she broke the 200-point mark and captured the gold medal. **AN ICEBERG COLLISION WITH ANTARCTICA** dislodged another massive block of ice from the continent in February. The original iceberg, known as B9B, measured 60 miles in length and had broken free from Antarctica more than 20 years ago. The new iceberg weighed in at roughly 700 billion tons and, at 48 x 24 miles, contained the equivalent of one fifth of the world's annual total water usage. The two icebergs drifted together off the east coast of Antarctica. **U.S. BOBSLED GOLD** ended a 62-year Olympic drought for America when two-time World Champion Night Train pilot Steve Holcomb with crew Justin Olsen and Steve Mesler and brakeman Curtis Tomasevich dominated action in Whistler. The win meant Germany's Andre Lange, who took gold in the two-man race, failed in his attempt to capture five Olympic golds in as many attempts. **AN 8.8 EARTHQUAKE IN CHILE** on February 27 toppled buildings, left more than 300 dead and caused tsunami evacuations as far away as Hawaii and Japan. While the quake was significantly more powerful than the Haitian temblor that caused massive devastation in January, the damage was minimized by its relatively deep epicenter and strict Chilean building codes that followed massive damage caused by a huge quake in 1960.
